RE - Variation of Premises Licence for  
Día-y-Noche, 39, The oaks SQ, EPSOM.

I am putting in writing my  
objection to Proposed 1 (one) hour  
extension on Thursday's/Friday's,  
Saturday's & 1/2 (half hour) extensions  
on Monday/Tuesday's/Wednesday's.  
My reasons are the increased noise  
continuing later than is currently  
allowed. Although said premises  
has taken measures to sound proof,  
this is ineffectual due to the traffic  
of people continuously going in and out  
of the entrance doors, as the  
smoking area is located at the  
front.

②

Additionally the loud chatter/  
laughing/screaming/arguing of  
said patrons when outside  
smoking causes additional noise  
I have submitted various  
recordings via the noise app to  
back up my claims.

I also wish to oppose condition 10  
regarding customers seated out  
front for longer periods as this  
is additional noise as mentioned  
above.

I would like to take this  
opportunity to praise said venue  
for the generally polite and  
courteous manner many of their  
patrons display when leaving  
at the end of the evening.

It is unfortunate that Dia-y-noche

③

is located in the corner of oaks square, and the buildings act to resonate and amplify any sounds made which means it can be as noisy within my home as if you were stood just outside the premises.

I will be more than happy to discuss my objections should I be required to.

I will send this letter by email & forward original by post.

Kind regards
