### Summary

This report updates the Committee on the work of the Epsom and Ewell Community Safety Partnership.

### Recommendation (s)

#### The Committee is asked to:

- (1) Note and comment on the work of the Epsom and Ewell Community Safety Partnership (CSP).**

## 1 Reason for Recommendation

- 1.1 Under the 2006 Police and Justice Act, councils are required to allocate the scrutiny of the local Epsom and Ewell Community Safety Partnership (CSP) to one of their committees so as to provide public accountability of the CSP.

## 2 Background

- 2.1 The Crime and Disorder Act 1998 established the principle of partnerships working on a formal basis and through several legislative adjustments, this is now achieved in this borough through the CSP.
- 2.2 In July 2020 the council's Environment and Safer Communities Committee decided to establish a new Epsom and Ewell CSP having determined that participation in previous East Surrey CSP did not adequately serve the needs of the borough's residents.

## 2 February 2023

- 2.3 The new partnership held its first meeting in August 2020 and meets four times a year. The CSP membership is composed of representatives from each of the following:
- Epsom and Ewell Borough Council (Chair)
  - Chair of the Council's Environment and Safer Communities Committee
  - Elected Member from Surrey County Council
  - Surrey Police Safer Neighbourhood team
  - Surrey Police and Crime Commissioner's Office
  - Surrey Fire and Rescue
  - Surrey County Council Community Safety team
  - Rosebery Housing Association
  - Probation Service
  - Epsom Business Improvement District
- 2.4 The CSP is legally required to set priorities for the partnership. The priorities for the two years 2022/24 are:
- Focus on the most vulnerable or those at risk of harm
  - Serious Organised Crime and PREVENT
  - Identify and tackling crime and antisocial behaviour
  - Improve community engagement
- 2.5 The mechanisms by which much of the work of the partnership is delivered is via two multiagency approaches. First is the regular Community Harm and Risk Reduction Meetings (CHaRRM) where multiagency partners focus on an individual of concern. Secondly the Joint Action Groups (JAGs) is where multiagency partners focus on geographical areas of concern or occasionally specific activity types of concern and work to agree concerted multiagency actions to manage the area or activity of concern
- 2.6 In response to the threat posed by serious organised crime, an additional Serious Organised Crime Joint Action Group (SOCJAG) has been established whereby Surrey Police provide intelligence and request intelligence from partner agencies in developing the coordinated response to serious organised crime.

### **3 The CSP Community Safety Action Plan**

- 3.1 The CSP publishes the Community Safety Action Plan for the period 2022 – 2024. This is available on the Council's website and is attached to this report as Appendix 1.
- 3.2 The action plan outlines the actions the partnership will take to deliver on each of the priorities. Each action clearly identifies the lead agency within the CSP as well as the objective, measure and timescale for each objective. Following previous scrutiny, greater clarity on progress with action is provided with the use of a colour RAG (Red/Amber/Green) status for each action.

### **4 Scrutiny of the CSP**

- 4.1 The power to scrutinise the CSP is granted through a number of pieces of legislation including the Police and Justice Act 2006, the Local Government and Public Involvement in Health Act 2007. Most recently the Crime and Disorder Overview and Scrutiny Regulations 2009 has granted local authorities new powers for the scrutiny of crime and disorder.
- 4.2 These regulations require that every local authority has in place a committee with power to review and scrutinise and make reports or recommendations regarding the functioning the responsible authorities that comprise the CSP.
- 4.3 This Committee is designated as the council's Crime and Disorder Committee and has been granted powers to perform the review and scrutiny of the work of the CSP.
