Hi Paul

I appreciate the below email comes from a neighbouring licensing authority so may not be relevant, but thought it may be useful to see the officers response from a very recent licensing inspection that was carried out at our Kingston venue.

Good morning Marcella

Following your and Hannah's recent licensing check visit to Stir, I wondered if it is possible for me to have a copy of any report that is made or filed by either of you regarding your visit.

It is useful for my records, allows me to see what we are doing right or where we

can improve, and helps taylor training for staff ect moving forward.
