Summary

The Licensing (Hearing) Sub-Committee ("the Sub-Committee") is being asked to determine a variation application made under the Licensing Act 2003.

Recommendation (s)

The Sub-Committee is asked to:

Have regard to the relevant representations made during the consultation period, and to take such steps (if any) as it considers appropriate for the promotion of the licensing objectives. The steps are:

- To impose additional conditions on the licence which are appropriate for the promotion of the licensing objectives, proportionate and which deal with the concerns of those making representations; or
- To reject the application.

1 Reason for Recommendation

- 1.1 In carrying out its licensing functions, the Licensing Authority must have regard to its statement of licensing policy and any statutory guidance issued under s 182 of the Licensing Act 2003.
- 1.2 The Council may dispense with holding a hearing if the applicant and all persons who made valid representations agree that such a hearing is unnecessary and give notice to the authority to that effect.

2 Background

- 2.1 The supply of alcohol is a licensable activity under the Licensing Act 2003. Authorisation from the Council, in its role as the licensing authority, is required in order to carry on the activity at a premises within the Borough.
- 2.2 Under the scheme of delegation adopted by the Council the Sub-Committee is responsible for the exercise of many of the functions of the Council as a licensing authority, including determination of applications where representations have been received.

3 Details of application

3.1 On 27 October 2023, Greene King Retailing Limited ("The Applicant") applied to vary a premises licence for the premises known as Blenheim Arms 7 Manor Green Road Epsom KT19 8RA. This is an application to vary the starting time for the opening hours of the premises and the hours when the premises is licensed for the sale of alcohol. The new hours are as follows:

Opening Hours

Sunday to Thursday 09.00 - 00.00 (currently the start time is 11.00) Friday to Saturday 09.00 - 01.00 (currently the start time is 11.00)

Sale of Alcohol (On & Off Sales)

Sunday to Thursday 09.00 – 23.00 (currently the start time is 11.00) Friday to Saturday 09.00 – 00.00 (currently the start time is 11.00)

The new hours shall apply to all seasonal variations and non-standard timings. The closing time and the end time for the Sale of Alcohol are not changing.

All other hours and activities currently permitted by the premises licence are to remain unchanged by this application. A copy of the application is attached at **Appendix 2**, and a copy of the plan of the premises is attached to **Appendix 3**.

4 Representations

- 4.1 The Council received one relevant representation from a local resident as shown in **Appendix 4.**
- 4.2 No representations from any responsible authority were received.

5 General principles to be followed

5.1 When determining applications, the Sub-Committee is required to carry out its functions with a view to promoting the licensing objectives, which are:

Licensing (Hearing) Sub-Committee 18 December 2023

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and
- The protection of children from harm
- 5.2 In considering the licensing objections the Council must have regard to its statement of licensing policy, and to the statutory guidance (Revised Guidance April 2018) issued under section 182 Licensing Act 2003.

6 Policy Considerations

- 6.1 A copy of the Council's Statement of Licensing Policy (December 2018) has been sent to the Applicant and Interested Parties together with this report. The Sub-Committee will note there are no policy presumptions against the grant of the licence.
- 6.2 Section 4 of the Licensing Act 2003 stresses that in carrying out its functions, a licensing authority must "have regard to" guidance issued by the Secretary of State under Section 182. This implies looking at the guidance, factoring in its relevance and/or weight, if any, as those matters appear to the licensing authority. The Section 182 Guidance document was reissued by the Home Office in December 2022, however none of the updates effect the determination of review applications. Paragraph 9.4 to 9.9 of this guidance may provide assistance to members of the Sub-Committee in considering whether the representation are relevant, vexatious or frivolous representations.

7 Legal Implications

- 7.1 Decisions on licensing matters engage issues of human rights, in particular, Article 1 of the First Protocol, the peaceful enjoyment of possessions, Article 6, the right to a fair hearing, and Article 8, respect for private and family life. However, interference with Convention rights is permitted where lawful and necessary in the interests of public safety, the prevention of disorder or crime, the protection of health and morals or for the protection of the rights and freedoms of others.
- 7.2 Due regard must also be had to the public sector equality duty enshrined in Section 149 of the Equality Act 2010, which aims to eliminate unlawful discrimination, having regard to the nine protected characteristics. The nine protected characteristics are: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
- 7.3 All applications for new or varied Premises Licences or Club Premises Certificates must be advertised by the display of a notice at the premises and by a public notice in the local newspaper. Pursuant to the Council's constitution the Council's licensing department has determined that there is a valid application that complies with the requirements of the Licensing Act 2003.

Licensing (Hearing) Sub-Committee 18 December 2023

7.4 Where the Licensing Authority rejects (in whole or in part) an application, the applicant may appeal against the decision to the Magistrates' Court.

Should the Sub-Committee grant (in whole or in part) an application, the applicant may appeal against any decision to modify the conditions of the licence.

Where a person who made relevant representations in relation to the application contends that:

a) any variation made ought not to have been made, or,

b) on varying the licence, the Licensing Authority ought not to have modified the conditions of the licence, or ought to have modified them in a different way,

they may appeal against the decision.

- 7.5 Legal Officer's Comments: When considering licence applications the Sub-Committee shall carry out its functions with a view to promoting the licensing objectives. The licensing objectives are:
 - Prevention of crime and disorder
 - Public Safety
 - Prevention of public nuisance
 - Protection of children from harm

The Sub-Committee must ensure that all licensing decisions have:

- taken into account all relevant representations
- a direct relationship to the promotion to the promotion of one or more of the four licensing objectives
- regard to the Council's statement of licensing policy
- regard to the Secretary of State guidance
- there must not be a blanket policy to the extent that it is applied so rigidly that an exercise of discretion in each individual case is precluded

Applications must be considered with regard to the principles of fair process and the Human Rights Act 1998.

Licensing (Hearing) Sub-Committee 18 December 2023

When considering an application for the variation of an existing licence, only the variation is subject to determination. No changes can be made to a licence or conditions attached unless they are subject to the variation application.

The applicant has the right of appeal against the decision made by the Sub-Committee to the Magistrates' Court within a period of 21 days beginning with the day that the applicant is notified, in writing, of the decision.

ARUN DISTRICT COUNCIL - 9709

Dated 26 July 2023

For The Licensing Authority

Annex 1 – Mandatory conditions

Mandatory Condition: where licence authorities supply of alcohol

Where a premise licence authorises the supply of alcohol, the licence must include the following conditions

- 1. No supply of alcohol may be made under the premises licence
 - (a) at a time when there is not designated premises supervisor in respect of the premises licence, or
 - (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
- 2. Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.

Mandatory Condition: exhibition of films

- 1. Where a premises licence authorises the exhibition of films, the licence must include a condition requiring the admission of children to the exhibition of any film to be restricted in accordance with this section.
- Where the film classification body is specified in the licence, unless subsection 3(b) applies, admission of children must be restricted in accordance with any recommendation made by that body.
- 3. Where:
 - (a) The film classification body is not specified in the licence, or
 - (b) The relevant licensing authority has notified the holder of the licence that this subsection applies to the film in question,
 - Admission of children must be restricted in accordance with any recommendation made by that licensing authority.

Children means persons aged under 18; and Film classification body means the person or persons designated as the authority under section 4 of the Video Recordings Act 1984 (c.39) (authority to determine suitability of video works for classification)

Mandatory Condition: door supervision

- 1. Where a premises licence includes a condition that at specified times one or more individuals must be at the premises to carry out a security activity, the licence must include a condition that each such individual must be licensed by the Security Industry Authority.
 - 2. But nothing requires a condition to be imposed in respect of:
 - (a) paragraph 8(3)(a) of Schedule 2 to the Private Security Industry Act 2001
 (c.12) (premises with premises licences authorising plays or films), or
 - (b) any occasion mentioned in paragraph 8(b) or (c) of that Schedule (premises being used exclusively by club with club premises certificate, under a temporary event notice authorising plays or films or under a gaming licence), any occasion within paragraph 8(3)(d) of that Schedule (occasions prescribed by regulations under that Act).

Security activity means an activity to which paragraph 2(1)(a) of that Schedule applies, and Paragraph 8(5) of that Schedule (interpretation of references to an occasion) applies as it applies in relation to paragraph 8 of that Schedule.

Conditions 1, 2 and 3 below came into force on 6th April 2010, and 4 and 5 came into force on 1st October 2010 (as amended 1 October 2014).

1. (1) The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises—

(a)games or other activities which require or encourage, or are designed to require or encourage, individuals to—

(i)drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or

(ii)drink as much alcohol as possible (whether within a time limit or otherwise);

(b)provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;

(b)these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and

price actually given by that sub-paragraph rounded up to the nearest penny.

4. (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax.

Thank you for your email. My main concern is increased traffic in an already busy road with 2 schools in very close proximity. Alcohol is already sold in Costcutter which is next door so do not understand why they would request additional hours or, are they going to open at 9 for people to start drinking? cannot see any other reason why they would want to open.

Historically this pub has attracted a certain type of clientele with fights, arguments etc, a few years ago an air ambulance was called because of disturbance at the pub.

This is a residential road with 2 infant/junior schools at either end of the road so to have the pub open from 9am does not seem conducive to the area. There is little or no parking at the pub so, as previously stated, any increase in traffic, especially because of the schools, is not welcomed.

Thank you Linda Cackett

However, if having considered the variation to morning hours you more clearly wanted to identify your concerns with respect to the licensing objectives, and provide any evidence to support your representation, you may provide further information up until 24 November 2023. My house is at the other end of the shops. I am registered disabled and am fed up with the clientele of the pub making loud noises, leaving their vehicles outside or across my drive which makes it extremely difficult for me to get out. Glasses and beer cans

chucked in my front garden. I have lived in Manor Green Road for 30 years and, in that time, I have lost count of how many times the pub has changed hands. There is little parking at the pub so vehicles are left, on an already congested road, with 2 wheels on the pavement, leaving mothers with prams and disabled people unable to pass, forcing them to go into the road.
