

Health and Wellbeing: Up-date

Rachel Kundasamy – Health & Wellbeing Officer

Health Liaison Panel – 12th March 2019

Previous Position

- **January 2018:**

- Position statement produced by EEBC

- Analysis of EEBC activities against the 5 Surrey priorities as identified in the Joint H&WB Strategy (H&WB board)

- Identified current activity in each area was being met.

However:

- Identified lack of cohesion / coordination between Borough activities

- Identified need for strategic review and to better understand local demographic and community needs

Where are we now....

Help us improve health and wellbeing in Surrey

Comment on the draft **Joint Health and Wellbeing Strategy**

Health and Wellbeing Surrey

Drivers for the 10yr H&WB Strategy

- **Improve H&WB outcomes for population of Surrey (starting well, living well, ageing well – focus on prevention vs. ageing pop)**
- **Reduction in health and care activity**
- **Reduced financial burden on public sector**
- **Reducing inequality in health outcomes and considering the wider determinants of health**
- **Sustainability: long term, preventative approach as opposed to short-term reactive approach**
- **Alignment to the ‘bigger picture’: NHS Long-Term Plan, and consideration of the Integrated Care System / Partnerships**

Surrey County Council - DRAFT

Priorities

- **Enabling people in Surrey to live healthy lives**
- **Enabling the emotional wellbeing of people in Surrey**
- **Enabling people in Surrey to fulfil their potential**

Cohorts

- **General Population**
- **Children with SEND / Children & Adults with LD & autism**
- **Carers**
- **People who need support to live independently with ill-health / or die well**
- **Deprived and vulnerable**

NHS Targets – NHS Long Term Plan

- **New Service Model:** Boost out of hosp. care / Redesign and reduce pressure on emergency service / Digitally enabled care / Personalised care / population health address via integrative care
- **Prevention & Inequalities (fixed / avoidable):** Ageing pop / unmet need / innovation / GBD / air pollution / Wider-Determinants
- **Care Quality & Outcomes:** Physical and mental & emotional health
- **NHS Staff / workforce**
- **Taxpayers Investment will be used to max. effect:** Financial viability: 'The five tests'

Time-lines Stakeholder feedback

- 27th March – deadline for feedback

- 4th April – feedback to Health & Wellbeing Board

- April 19 – Strategy finalised and released?

EEBC response and current work-plan...

- Meeting with Internal colleagues – aims of consolidating our current ‘offer’ – aligned to new priorities
- Desk-top reviews – looking at EEBC local needs – multiple sources
- External Meetings – identify partnership arrangements
- Areas for consideration:
 - Coordination / integration
 - Long & Short-term intention
 - Partnership working
 - Local need vs wider picture
