<u>Contact:</u>	Lee Duffy or Lesley Shields
Urgent Decision?(yes/no)	No
If yes, reason urgent decision required:	N/A
<u>Annexes/Appendices</u> (attached):	Annexe 1 : Proposed Capital Programme
<u>Other available papers</u> (not attached):	Financial Policy Panel papers 1 December 2015

REPORT SUMMARY

This report proposes the 2016/17 capital programme and a provisional programme for 2017-19.

RECOMMENDATION (S)

Notes

- (1) Submits the Capital Programme for 2016/17 as identified in section 4 of this report to the Council for approval on 11 February 2016;**
- (2) Confirms that it supports all of the schemes included in the provisional programme for 2017-19 as identified in section 5 of this report;**
- (3) Notes that schemes for 2017-19 are provisional pending an annual review of funds available for capital investment.**

1 Implications for the Council's Key Priorities, Service Plans and Sustainable Community Strategy

1.1 The Council's Medium Term Financial Strategy includes the following in regards to investment in services:-

- Prioritise capital investment to ensure retained property is fit for purpose.
- Maximise the use of external funding opportunities to deliver improvements to the community infrastructure, including affordable housing.

STRATEGY AND RESOURCES COMMITTEE

27 JANUARY 2016

- Maintain a minimum uncommitted level of capital reserves of £1 million.

2 Background

- 2.1 The Capital Strategy was last agreed by the Council on 17 February 2015 at which time the capital programme was approved for 2015/16. Schemes for 2016-2018 were provisional pending the annual budget review and an annual assessment of funds for capital investment.
- 2.2 The Financial Policy Panel provided the Capital Member Group (CMG) with a remit to guide the preparation of a capital programme for 2016-17. The Panel received details of capital bids on 1 December 2015 following an assessment of investment options by the CMG.
- 2.3 The Panel were advised that the proposed level of investment of £2.5 million over three years 2016/17 to 2018/19 would reduce the available capital reserves to £1.3 million at the end of this period. The proposed capital programme assumes funding from capital and revenue reserves, and government grants. Specific schemes may also be funded from other grants where successful bids are made.
- 2.4 The Panel's guidance relevant to this policy committee's recommendations was as follows:-
 - 2.4.1 Priority schemes identified by the Capital Member Group should be presented with project appraisals to the policy committees in January to establish whether there is support for the individual projects, with any projects not supported being removed from the draft programme.
 - 2.4.2 There were no schemes identified in section 4 of this report for 2016/17.

3 Proposals

- 3.1 The Committee is asked:-
 - 3.1.1 To note the position for 2016/17;
 - 3.1.2 To agree the provisional programme for 2017-19
- 3.2 The timing of the programme should be based on the ability to deliver with a realistic number of projects in any one year.
- 3.3 The budget assumes that interest earned on capital reserves will be used to help finance the revenue budget.

STRATEGY AND RESOURCES COMMITTEE

27 JANUARY 2016

- 3.4 If all schemes in the proposed corporate capital programme for 2016/17 were to progress this would reduce the capital reserves to around £2.1 million and as a result there will be reduced funding available for service delivery. This is reflected in next year's estimates and the financial forecasts.

4 Core Programme 2016/17 Funded from Capital Reserves

- 4.1 The Financial Policy Panel recommended that no schemes are put forward for this committee for 2016/17.

5 Proposed Capital Programme 2017/18 to 2018/19

- 5.1 The provisional programme proposed for 2017-19 is:-

Bid Ref:	Scheme	2017/18 (£'000)	2018/19 (£'000)	Funding
S&R Bid 1	ICT Programme of Work	250	0	Capital Reserves
S&R Bid 2	Installation of LED	50	0	Capital Reserves
S&R Bid 3	Installation of Solar Panels to Council Buildings	100	0	Capital Reserves
	Total proposed capital programme 2017/18 to 2018/19	400	0	

- 5.2 Bids for these schemes will be prepared and submitted to future Capital Member Group meetings for their support to be included within the capital programme for 2017/18 and 2018/19.

6 Financial and Manpower Implications

- 6.1 As highlighted in this report, any scheme not attracting full external funding will have a revenue budget impact.
- 6.2 The Committee will wish to ensure that the Council has the capacity to deliver the recommended schemes.
- 6.3 **Chief Finance Officer's comments:** *All financial implications are included in the body of the report.*

7 Legal Implications (including implications for matters relating to equality)

- 7.1 A baseline criteria for schemes is 'Investment required to meet Health and Safety or other new legislative requirements' as identified in the project appraisals.

STRATEGY AND RESOURCES COMMITTEE
27 JANUARY 2016

7.2 **Monitoring Officer's comments:** *No further comment*

8 Sustainability Policy and Community Safety Implications

8.1 None for the purpose of this report.

9 Partnerships

9.1 There are no schemes dependent upon partnership agreement or funding. Schemes may, subject to evaluation, involve partnership for procurement or service delivery.

10 Risk Assessment

10.1 The Capital Member Group has used the Capital Strategy to balance the need for prioritised investment against a reducing level of capital reserves.

10.2 To help manage risks to the General Fund revenue account business case investment has been prioritised where it demonstrates a payback within 5 years or 7 years for renewable energy projects.

10.3 Funding has been identified to enable the delivery of the capital programme for 2016/17 and officers believe that there should be sufficient capacity to deliver these projects.

11 Conclusion and Recommendations

11.1 No capital programme is recommended for this committee in 2016/17.

11.2 To agree the provisional programme for 2017 - 2019.
