

Staff Survey

We kickstarted our first staff survey a fortnight ago and received an amazing response rate. We'll like to continue this trend by carrying out a series of light touch surveys.

If you could spare a few minutes to take part in our latest anonymous survey, that would be much appreciated. It closes on **Friday 12 June**.

Once the information is analysed, we'll share the findings and any actions taken as a result. Thanking you in advance.
