

SCHEME FOR BBQS AT THE RACECOURSE REVIEW

Head of Service: Ian Dyer, Head of Operational Services
Wards affected: College Ward; Town Ward; Woodcote Ward;
Appendices (attached):

Summary

To review the use of barbecues during 2022 race meetings and receive an application from Epsom Downs Racecourse for the use of barbecues at next year's events.

Recommendation (s)

The Conservators are asked to:

- (1) Note the success of the Barbecue Scheme during 2022 race meetings**
- (2) To grant Epsom Downs Racecourse permission to use barbecues at race meetings throughout 2023, namely Ladies Day, The Derby and the August Bank Holiday.**

1 Reason for Recommendation

- 1.1 Following the successful execution of the barbecue scheme during 2022, it is proposed to grant permission to Epsom Downs Racecourse to follow the same protocol for 2023 race meetings.

2 Background

- 2.1 At the March 2020 meeting of the Epsom and Walton Conservators, members agreed to a scheme for the use of barbecues at Ladies Day, The Derby and the August Bank Holiday race meetings.
- 2.2 However, due to Covid-19 restrictions during 2020 and 2021, implementation of the scheme was delayed until 2022.
- 2.3 As racing returned to normal during 2022, the barbecue scheme was introduced, and dedicated barbecue areas were set-up in line with the maps provided in the 2020 report.
- 2.4 Both the Jockey Club and the Downkeepers monitored these areas during the race meeting with no concerns raised by either party.

Epsom and Walton Downs Conservators

16 January 2023

- 2.5 Further to the success of last year's events, the Jockey Club would like to formally request permission from the Conservators to continue the scheme for the same race meetings in 2023, namely Ladies Day, The Derby and the August Bank Holiday.
- 2.6 There are no proposed amendments to the scheme outlined in 2020, the area will be kept in the same position and the same safety protocols will be followed.

3 Risk Assessment

Legal or other duties

- 3.1 Equality Impact Assessment
 - 3.1.1 None for this report
- 3.2 Crime & Disorder
 - 3.2.1 None for this report
- 3.3 Safeguarding
 - 3.3.1 None for this report
- 3.4 Dependencies
 - 3.4.1 None for this report
- 3.5 Other
 - 3.5.1 None for this report

4 Financial Implications

- 4.1 As in the previous year, the proposed scheme will require compliance checks to be undertaken by the Council to ensure the conditions of any permission are being met.
- 4.2 The Downkeepers have confirmed that minimal resources were necessary to carry out the compliance checks last year, and the team are adequately resourced to conduct the checks again next year, should permission be granted.
- 4.3 **Section 151 Officer's comments:** None arising from the contents of this report.

5 Legal Implications

- 5.1 The Downs are regulated by the Epsom & Walton Downs Regulation Act 1984. The purpose of the Act is to protect the Downs and put in place arrangements for its management.

Epsom and Walton Downs Conservators

16 January 2023

- 5.2 Section 11 of the Act allows for the making of byelaws. The Conservators have made such byelaws and the current set of byelaws were approved in accordance with the statutory process on the 24 September 2013.
- 5.3 The current byelaws, provide at byelaw 2(i) (g) the ability of the Conservators to grant consent to the lighting of fires on the Downs,
- “2. (i) A person shall not, without the consent of the Conservators, on the Downs:
- (g) camp or light fires”
- 5.4 If the Conservators agree to grant permission, subject to conditions. This permission is not to allow camp or light fires, but to allow the use of barbecues. The proposed conditions along with the operating procedures of the Applicant provide the necessary reassurance that the impact of such activity on the grassland habitat will be managed.
- 5.5 The granting of any conditional permission does not set a precedent for other applications at the Racecourse. It does not permit any applications to be made anywhere else on the Downs.
- 5.6 **Legal Officer’s comments:** The legal implications are contained in the body of this report.

6 Policies, Plans & Partnerships

- 6.1 **Council’s Key Priorities:** The following Key Priorities are engaged:
Opportunity and Prosperity – supporting local business
- 6.2 **Service Plans:** The matter is not included within the current Service Delivery Plan.
- 6.3 **Climate & Environmental Impact of recommendations:**

There has been a global debate over the impact of charcoal barbecues on air pollution, however, the general feeling appears to be that if the charcoal being burnt is sustainably produced there is a carbon neutral impact on the environment.

The Jockey Club may want to consider this research in it’s code of conduct for use of the barbecue area and encourage visitors to purchase sustainably produced charcoal from coppiced English woodlands or made from other sustainable materials such as coconut shells, seed/crop husks or bamboo.

Sustainability Policy & Community Safety Implications:

The protocols set out in the March 2020 Barbecue Scheme ensures the barbecue area is professionally managed with an emphasis on community safety.

Epsom and Walton Downs Conservators
