

EPSOM & ST. HELIER HOSPITAL

a) Building Your Future Hospitals programme update:

An update on the Trust's plans to build a new specialist emergency care hospital in Sutton and significantly improve Epsom and St Helier hospitals, where 85% of patients will still be seen and treated.

b) Operational update, including pressures and priorities:

An update on current operational pressures and priorities, including what the Trust has been doing in response to winter pressures and recent industrial action.

The speakers attending shall be:

- James Blythe, Managing Director
- Alex Shaw, ESTH Chief Operating Officer
