60 PLANNING APPLICATION 15/01379/FUL - 3 & 4 DELL LANE, STONELEIGH KT17 2NE

Description

Extension of existing temple at 4 Dell Lane to include first floor residential accommodation for priests of the temple and redevelopment of adjacent warehouse premises at 3 Dell Lane to provide community meeting space and ancillary facilities.

Decision

Planning Permission is **REFUSED** for the following reasons:

- (1) **It has not been adequately demonstrated that the proposed extension to the Temple will not generate more traffic and parking in the vicinity of the premises to the detriment of free flow of traffic on surrounding roads and inconvenience for local residents, leading to conditions**

adverse to the safety of other road users. The application is therefore contrary to Policy CS16 of the Epsom and Ewell Core Strategy (2007) and Policies DM34 and DM37 of the Development Management Policies Document (2015).

- (2) The development would result in the loss of existing employment premises and the applicant has failed to demonstrate that the exceptional criteria under Policy DM24 of the Development Management Policies Document (2015) have been met. The development is therefore contrary to Policy DM24 of the Development Management Policies Document (2015).
- (3) The proposed first floor rear extension to the temple and new hall building, due to their height, design, bulk and massing and location, would result in an unacceptable overbearing impact and loss of privacy for the occupiers of 76-86 Briarwood Road, contrary to policy DM10 Design Requirements for New Development Management Policies Document (2015).
- (4) The proposal, by reason of the lack of cycle parking fails to provide a sustainable development that encourages non-car modes of transport, contrary to policy CS16 of the Core Strategy July 2007 and Policy DM37 Parking standards of the Development Management Policies Document (2015) and through lack of refuse and recycling provision, fails to provide an appropriate layout and arrangements for servicing contrary to policy DM10 of the Development Management Policies Document (2015).

Informative:

- (1) The plans considered in the determination of this application are as follows: 132/D/10, 132/D/11, 132/D/12, 132/D13.

The Committee noted verbal representations from the applicant's agent, a supporter of the application and two objectors. Letters of representation had been published on the Council's website and were available to the public and members of the Committee in advance of the meeting.

Note: In the interests of openness and transparency Councillor David Reeve indicated that he resided in close proximity to Dell Lane. However, he did not consider that it could be regarded as sufficiently close an association as to effect his consideration of the item.
