Subject: [WARNING EXTERNAL] Real Butcher - Full Variation Application

Categories: Paul Working on it

Dear Epsom Licensing,

Surrey Police are in receipt of the application to full vary the current premises licence for Real Butcher, Pound Lane, Epsom. Surrey Police have received a complaint, who wishes to remain anonymous, about drinking at the premises outside and ASB associated with the premises. We are also in receipt of findings from yourselves about drinking on the premises and a distinct lack of understanding of the current premises licence. Surrey Police therefore request the following be added to the conditions of the licence should the committee feel granting the licence be best course:

- Outdoor seating area shall have no more than 8 persons seated at any one time.
- Signs by all exits reminding customers to leave quietly and respect neighbours
- All off sales will be in sealed containers
- During licensable hours a Personal Licence Holder will be on site

The existing conditions and those offered in the application are acceptable.

Kind regards,

16229 Jenny Billin
