Recommendation (s)

The Conservators are asked to:

- (1) Note the success of the Barbecue Scheme during 2024 race meetings.**
- (2) To grant Epsom Downs Racecourse permission to use barbeques at race meetings throughout 2025, namely Ladies Day, The Derby and the August Bank Holiday race meetings.**

1 Reason for Recommendation

- 1.1 Following the successful continuation of the barbecue scheme during 2024, it is proposed to grant permission to Epsom Downs Racecourse to follow the same protocol for 2025 race meetings.

2 Background

- 2.1 At the March 2020 meeting of the Epsom and Walton Conservators, members agreed to a scheme for the use of barbecues at Ladies Day, The Derby and the August Bank Holiday race meetings.
- 2.2 Implementation of the scheme was delayed until 2022.
- 2.3 As racing continued as normal during 2024, the barbecue scheme continued, and dedicated barbecue areas were set-up in line with the map provided in the 2020 report and at appendix 1.

5 Legal Implications

Epsom and Walton Downs Conservators

27 January 2025

- 5.1 The Downs are regulated by the Epsom & Walton Downs Regulation Act 1984. The purpose of the Act is to protect the Downs and put in place arrangements for its management.
- 5.2 Section 11 of the Act allows for the making of byelaws. The Conservators have made such byelaws, and the current set of byelaws were approved in accordance with the statutory process on the 24 September 2013.
- 5.3 The current byelaws, provide at byelaw 2(i) (g) the ability of the Conservators to grant consent to the lighting of fires on the Downs, “2. (i) A person shall not, without the consent of the Conservators, on the Downs: (g) camp or light fires”
- 5.4 If the Conservators agree to grant permission, subject to conditions, it is not to allow camp or light fires, but only to allow the use of barbecues. The proposed conditions along with the operating procedures of the Applicant provide the necessary reassurance that the impact of such activity on the grassland habitat will be managed.
- 5.5 The granting of any conditional permission does not set a precedent for other applications at the Racecourse. It does not permit any applications to be made anywhere else on the Downs.
- 5.6 **Legal Officer’s comments:** The legal comments have been set out above.

6 Policies, Plans & Partnerships

- 6.1 **Council’s Key Priorities:** The following Key Priorities are engaged:
 - Opportunity and Prosperity – supporting local business
- 6.2 **Service Plans:** The matter is not included within the current Service Delivery Plan.
- 6.3 **Climate & Environmental Impact of recommendations:**
 - 6.3.1 There has been a global debate over the impact of charcoal barbecues on air pollution, however, the general feeling appears to be that if the charcoal being burnt is sustainably produced there is a carbon neutral impact on the environment.
 - 6.3.2 The Jockey Club may want to consider this research in its code of conduct for use of the barbecue area and encourage visitors to purchase sustainably produced charcoal from coppiced English woodlands or made from other sustainable materials such as coconut shells, seed/crop husks or bamboo.
- 6.4 **Sustainability Policy & Community Safety Implications:**
