- 1.1 Jockey Club Racecourses is required by the Epsom and Walton Downs Regulation Act 1984 and Epsom and Walton Downs Byelaws to seek the consent of the Conservators for race meetings held at certain times and extensions to the periods permitted for fencing.
- 1.2 The recommendations of this report present Jockey Club Racecourses' requests for consent for the 2026 race season for the Conservators consideration.

### 2 Background

## 26 January 2026

- 3.5 Thursday 16 July (Evening)
- 3.6 Thursday 30 July (Evening)
- 3.7 Sunday 27 September

### 4 Application for temporary suspension of Footpath 50

- 4.1 Jockey Club Racecourses will apply to Surrey County Council for the temporary suspension of Footpath 50 over the Derby period (5<sup>th</sup> & 6<sup>th</sup> of June). Footpath 50 crosses the Racecourse Track near to the Princes Stand/Lonsdale Enclosure, and a similar suspension has been granted by the County Council for the past 8 years. Signage and pre-event communication will ensure easy access to the Hill without the use of this footpath. Whilst this is a matter for consideration by the County Council, the Conservators are notified for their information.
- 4.2 **Footpath 50:** *The area of footpath shown lies between the Queen's Stand and the Princes Stand, as well as an area between the Lonsdale Enclosure and the Media facility.*

### 5 Application for racing-related fencing

- 5.1 Specific elements of the racing-related fencing applications submitted by Jockey Club Racecourses require the Conservators' consideration: an application for the extension of the fencing period for the Upper Tattenham Enclosure for the Derby weekend, and applications for the extension of the fencing period for the Lonsdale Enclosure. The details of these applications are set out in sections 6 and 7 below.

5.2 Paragraph (4) (d) (i) of section 17 of the Act permits the Racecourse to erect fencing for the Upper Tattenham Enclosure, Lonsdale Enclosure (and other enclosures) 14 days prior to each race event, and requires its removal within 10 days after each race event, unless there is an overlap with the preparatory period for the next event. Fencing erected for the Enclosures outside these periods requires the consent of the Conservators under Byelaw 2 (i) (a).

### 6 Application for extension of the Upper Tattenham Enclosure fencing period

6.1 Jockey Club Racecourses has requested permission for one extension to the fencing period for the Upper Tattenham Enclosure during the 2026 racing season. The requested extension is as follows:

6.1.1 A **11-day extension** to the set-up period for steel security fencing and turnstile blocks for the Upper Tattenham Enclosure between Monday 11 May – Thursday 21 May 2026. Under paragraph (4) (d) (i) of section 17 of the Act, Epsom Downs Racecourse is permitted to install this fencing from Friday 22 May 2026.

6.2 A 4-day extension has been approved by the Conservators for a number of years.

6.3 The Upper Tattenham Enclosure fencing will be removed by the 18 June 2026.

6.4 As the 14-day preparatory period for the 1 July racing directly follows the 10-day removal period following the Derby Festival, an extension for the fencing removal is not necessary.

### 7 Application for extension of the Lonsdale Enclosure fencing period

7.1 Jockey Club Racecourses has requested permission for one extension to the fencing period for the Lonsdale Enclosure during the 2026 racing season. The requested extension is as follows:

7.1.1 A **11-day extension** to the set-up period for steel security fencing and turnstile blocks for the Lonsdale between 11 May to 21 May 2026. Under paragraph (4) (d) (i) of section 17 of the Act, Epsom Downs Racecourse is permitted to install this fencing from Friday 22 May 2026.

7.2 A 4-day extension has been approved by the Conservators for a number of years, but specific dates have varied depending on the racing calendar.

7.3 The Lonsdale enclosure fencing will be removed by the 18 June 2026.

7.4 As the 14-day preparatory period for the 1 July racing directly follows the 10-day removal period following the Derby Festival, an extension for the fencing removal is not necessary.

### 8 Summary and Calendar

8.1 A summary of the fencing extensions requested is included in the table below.

Fencing Location	Fencing extension requested	No. of days requested	Requested/Granted last year?
Upper Tattenham Enc.	11-21 May	11 days	Last year a 4-day extension was granted by Conservators.
Lonsdale Enc.	11-21 May	11 days	Last year a 4-day extension was granted by Conservators.

### 9 Previous decisions

9.1 A fencing-period extension in advance of the Derby Festival has been requested by the Racecourse and granted by the Conservators for the past 24 years, following an initial application by the Racecourse in advance of the 2002 Derby Festival. This initial decision was made by the Conservators following advice from the Clerk that whilst the Act did not specifically empower them to vary the fencing period, as long as they acted within their general duty to protect the Downs and did not authorise any activity which would prevent the public from exercising their rights of access, they were not prohibited from considering it.

9.2 The Conservators have subsequently considered and approved similar extensions in each year they have been requested.

### 10 Risk Assessment

#### Legal or other duties

##### 10.1 Equality Impact Assessment

10.1.1 To mitigate potential impact upon Downs users Jockey Club Racecourses has undertaken to provide a work schedule for all fencing to the Clerk prior to its installation.

## 26 January 2026

10.1.2 To mitigate the impact of the requested extension to the fencing period for the Lonsdale Enclosure, Jockey Club Racecourses has undertaken to fasten open gates at both ends of the Enclosure between race meeting dates, to enable free access of the area by all Downs visitors.

10.1.3

10.2 Crime & Disorder

10.2.1 None.

10.3 Safeguarding

10.3.1 None.

10.4 Dependencies

10.4.1 None.

10.5 Other

10.5.1 The Conservators have considered and approved similar fencing period related extensions for the past 24 years. No issues relating directly to the extensions have been encountered during this time, and it is therefore considered that the risks relating to granting them are low.

## 11 Financial Implications

11.1 None.

11.2 **Section 151 Officer's comments:** None arising with regard to this report.

## 12 Legal Implications

12.1 Landowners generally would normally be permitted to erect temporary fences without consent. However, the erection of such structures on the Downs is prohibited by virtue of the byelaws made under the 1984 Act. Specifically, byelaw 2(i) provides that:

“A person shall not, without the consent of the Conservators, on the Downs:

(a) enclose any part of the Downs or erect any building shed or other structure thereon or construct any roads or parking places,

(b) place any tent stall show exhibition swing roundabout or other like thing...”

## 26 January 2026

- 12.2 The above restriction is subject to Section 17, which, notwithstanding the byelaws, grants rights to the racecourse to erect fencing in the preparatory period/racing period.
- 12.3 The proposal in this case is beyond the rights granted under section 17 and therefore requires the consent of the Conservators under the Byelaws. In deciding whether to grant consent, the Conservators will need to have regard to their primary duty under Section 10 of the 1984 Act to preserve the Downs, noting the company's rights under section 17, and consider what impact granting consent would have on the preservation of the Downs, and on the rights of the public over the Downs.
- 12.4 **Legal Officer's comments:** As set above.
