### Summary

This report recommends fees and charges for which this committee is responsible, with the new charges being effective from 1 April 2026.

### Recommendation (s)

#### The Committee is asked to:

- (1) Agree the fees and charges for 2026/27 as set out at Appendices 1 and 2.

## 1 Reason for Recommendation

- 1.1 To agree the fees and charges for the Licensing & Planning Policy Committee for 2026/27.

## 2 Background

- 2.1 The Council will meet to agree the budget, including estimates of income and expenditure, on 10 February 2026. To enable the budget to be finalised, the policy committees are asked to recommend fees and charges covering the services for which they are responsible.

## 22 January 2026

- 2.2 The current economic climate creates uncertainty and difficulties for budget setting. To this end, the budget guidelines agreed by Strategy and Resources in July 2025 advised an overall increase in revenue discretionary fees and charges of 4.8%, based on the September 2025 CPI +1%
- 2.3 The fees and charges presented in this report are discretionary charges only. For discretionary charges, there is scope to generate additional income, to reduce any subsidy of the service or to contribute to an improved budget position.
- 2.4 There are a number of charges set externally that the Council has no power to alter. This restricts the Council's ability to raise additional income and therefore the fees and charges set by statute are not presented to this Committee for approval.
- 2.5 When preparing budget estimates, fees and charges have been reviewed by service managers and any negative impact on demand anticipated by increased charges has been considered.
- 2.6 Members should refer to the revenue budget report on this agenda for an overview of the Committee's budget position.
- 2.7 In January 2018, to reflect changes to the Council's management structure, the Committee agreed that the Chief Finance Officer should have delegated authority to vary fees and charges for items generating income under £1,000 per annum. The Committee also agreed that this officer be permitted under delegated authority to set charges for one-off services or items not included in the fees and charges schedule.

### **3 Proposals**

- 3.1 The proposed fees and charges for 2026/27 are set out at Appendices 1 and 2 to this report. The main variations in fees and charges for each service area outside the range of an increase between 4.8% and 10% are set out below:

#### **Place Development**

- 3.2 A restructure of the fees and charges, in particular pre-application advice and planning performance agreements, has been carried out to offer a wider range of options not previously implemented which also reflect better value and make the services more attractive.
- 3.3 Planning application fees are set nationally and are expected to be increased by RPI from April 2026 onwards. These fees don't feature within this report as they are not discretionary, but it is anticipated that the income from these fees will increase, and an additional £42,000 has been included for 2026/27.

- 3.4 Some Development Management services, such as Planning Performance Agreements, are bespoke and tailored to the specific development. A list of Officer hourly rates is therefore detailed in Appendix 1 to form the basis of the calculated fee. These fees have been increased for 2026/27 at approximately 4.8% in line with the uplift agreed within the Medium Term Financial Strategy. Some changes have been made to the Officers' Rates to include new positions within the team.

### Licensing

- 3.5 The discretionary general licensing fees have not been increased for 2026/27 as most fees are at the limit of cost recovery. The Council is only entitled to recover the cost of processing the applications and the enforcement. It is not permitted to use the licensing system as a general revenue earner, to raise the fees higher than the costs of processing the licences would place the council at risk of legal challenge for using the licensing fee system to generate income over and above the cost of administering the system. Additionally raising the current fees would also put the Council at risk of losing customers.
- 3.6 The additional fee for Hackney Carriage Vehicles (Hybrid/Electric Vehicle) continues to be available for 2026/27. The fee has been set at £265.00 and is lower than the Hackney Carriage Vehicles fee to promote positive environmental changes.
- 3.7 New fees have been introduced for Primate Licences Part A Application fee at £450 and Primate Licences Part B Enforcement Fee at £100.
- 3.8 To ensure that the Council is consistent with the requirements of Hemming v Westminster for licences to have a part A and part B fee, it is proposed the proportions be split as set out below:
- Part A – 66.6% of fee
  - Part B – 33.3% of fee
- 3.9 The exemption to this is animal welfare licences which already have a defined Part A and B fee.

## 4 Risk Assessment

### Legal or other duties

#### 4.1 Equality Impact Assessment

- 4.1.1 Increased fees and charges could have a negative effect on take up for some service areas. Managers have been asked to apply realistic increases to avoid this.
- 4.1.2 The current economic crisis has resulted in some instances in reduced revenue from fees and charges.

5.5 The last column sets out the difference between the budget target increase and the final income budget, which incorporates changes to both tariffs and volumes.

Licensing	17	0	(1)	(18)
<b>Total</b>	<b>21</b>	<b>4</b>	<b>41</b>	<b>24</b>

- 5.1 The proposed charges will generate an additional estimated income of £45,000. This has been taken into account in the budget to be presented to Council next month.
- 5.2 Overall, the effect of increased charges, combined with the anticipated change in volumes is that the Licensing and Planning Policy Committee income budgets are higher than the targeted budgeted income from fees and charges by £24,000.
- 5.3 The revised level of income has been included in the medium-term financial strategy to contribute towards a balanced budget over the next four years. A breakdown of the 2026/27 budget can be found in the budget report included on this agenda.
