

## **Public Question**

### **Written Question from M Hollins:**

*When are the decisions on the nominations for the Local Listing Project going to be confirmed and published for public consumption?*

### **Response from the Chair of the Licensing and Planning Policy Committee:**

The planning policy team have been prioritising progressing the local plan (2022-2040) towards adoption and delivering other legislative requirements such as supporting the democratic services team to ensure the Neighbourhood Referendum for the Stoneleigh and Auriol Neighbourhood Development Plan can be undertaken on the 12 February.

The Local Plan remains at examination, and the team are currently undertaking additional work requested by the Planning Inspector. The additional work will be submitted to the Inspector later this week and following this we will wait for correspondence from the Inspector on how she intends to proceed with the examination.

Once there is capacity to progress the Local List, it will be considered by the relevant committee.
