

## **Supplementary Public Question**

### **Verbal Supplementary Public Question from M Hollins:**

*Now there is a new Heritage Officer in place, can you give an informed estimate, of a month and a year, that the local list will be considered by the relevant committee prior to publication, given that it has been over four years since the submissions were received?*

### **Response from the Chair of the Licensing and Planning Policy Committee:**

*We do not have a Heritage Officer; there is a heritage champion which is a role one of the councillors takes on. Cllr Kim Spickett is the current heritage champion.*

*Progressing the Local List amendments will depend upon progress of the Local Plan Examination. Our intention is for the Licensing and Planning Policy Committee to consider the updated Local List in Winter 2026.*
