Introduction

Financial Procedure Rules provide a framework within which all staff can carry out their responsibilities in an open and consistent manner. They outline the financial responsibilities of all officers and members of the Council, and have been designed to promote and maintain the high standards expected of the public sector in dealing with financial and other resources financed from taxation by:

- placing clear accountability with officers appointed to manage resources;
- and establishing key principles and processes which they should follow, supported by detailed operating arrangements approved by the Section 151 Officer.

Section 151 of the Local Government Act 1972 requires local authorities to plan for the proper administration of their financial affairs and appoint a Chief Finance Officer (**Section 151 Officer**) to have responsibility for those arrangements.

Whilst responsibility for the administration of the Council's financial affairs lies with the Section 151 Officer, all individuals engaged in Council activities are responsible for financial governance, ensuring that their actions comply with Financial Procedure Rules.

Executive Members and **Executive Directors** hold a dual role to ensure that strategic policies and priorities are delivered within resources and meet all fiduciary responsibilities, recommendations to Council are deliverable and that they support Budget Managers to spend within the Budget Envelopes.

The **Accountable Budget Officer (ABO)** (Executive Directors, Service and Assistant Directors, Heads of Service and other officers deemed to be Senior Officers) has overall accountability for a group of budgets. The ABO is ultimately accountable for ensuring effective planning and management of their budgets to deliver their service priorities within the agreed budget envelope. The ABO signs an annual Budget Accountability Statement and is responsible for ensuring efficiency plans are in place and for delivery of those efficiency plans.

A **Budget Manager** has day to day responsibility for the management of the budget of one or a group of services or projects under the oversight of an ABO. Their key responsibility is to make best use of financial resources through good planning and management, taking corrective action where required. They may be responsible for enacting the efficiency plans under the oversight of the ABO.

All officers with responsibility for undertaking financial duties are required to comply with these rules. The Section 151 Officer is, in turn, accountable to Council. The Financial Procedure Rules and supporting documents are reviewed annually and will be developed further in line with any cultural changes and transformation plans the Council is working towards.

Locally managed schools have their own financial governance and rules, which are set out in the East Surrey Scheme of Financing Schools and the Schools' Finance Manual.

The Financial Procedure Rules should be read in conjunction with the Council's:

- Anti-Fraud and Corruption Strategy and Framework
- Business Continuity Plan Guidance
- Risk Management Strategy
- Whistle blowing Policy
- Procurement and Contract Standing Orders

FINANCIAL PROCEDURE RULE 1 - SCOPE OF FINANCIAL PROCEDURE RULES

FR1.1 The Financial Procedure Rules are binding on all Council members and officers, including contractors, agency staff, and anyone acting on behalf of the Council, including elected members.

FR1.2 Financial Procedure Rules are part of the Council's Constitution. The relevant parts of the Constitution are Part TBC (Finance, Contracts and Legal Matters), Part TBC (Responsibility for Functions and Scheme of Delegation), and Part TBC (Standing Orders). Financial Procedure Rules may only be amended by Full Council.

FINANCIAL PROCEDURE RULE 2 - ROLES AND RESPONSIBILITIES

Council

FR2.1 Council members, acting as the Full Council, are responsible for approving:

- Overall policy framework
- Medium Term Financial Strategy
- Annual Revenue and Capital Budgets
- Prudential Indicators for treasury management
- Limits on virements between budgets
- Capital Strategy
- Investment Strategy
- Treasury Management Strategy
- Annual Housing Revenue Account Budget
- Housing Revenue Account 30-year-plan

Executive

FR2.2 The Executive is responsible for proposing the policy framework and budget to the Full Council and for the discharge of executive functions in accordance with it. Decisions can be delegated to individual executive members or officers in line with the Scheme of Delegation.

Section 151 Officer

FR2.3 The Section 151 Officer's role and responsibilities are set out in statute and are governed by (but not restricted to):

- Section 151 of the Local Government Act 1972;
- Section 114 of the Local Government Finance Act 1988;
- Local Government and Housing Act 1989;
- Local Government Act 2003; and
- Accounts and Audit Regulations 2015.

FR2.4 All financial procedures and records shall be subject to his/her approval. Under The Accounts and Audit Regulations, the Section 151 Officer is responsible for the financial management of the Council, sound systems of internal control, risk management, and at least once in a year, a review of the effectiveness of the system of internal control.

FR2.5 The Section 151 Officer will determine the administrative and accounting arrangements for the housing revenue account subject to all relevant statutory provisions and any guidance issued by the Ministry of Housing, Communities and Local Government (MHCLG).

FR2.6 The Section 151 Officer will provide guidance on the apportionment of support and overhead costs between the general fund and housing revenue account. Any apportionment of costs must be fair to both council tenants and council taxpayers.

FR2.7 The Section 151 Officer is responsible for ensuring any borrowing for housebuilding is undertaken in accordance with the Chartered Institute of Public Finance and Accountancy (CIPFA) Prudential Code of Practice and the Council's approved prudential borrowing indicators.

FR2.8 The Section 151 Officer is responsible for the day-to-day management of the Council's financial affairs. They shall provide information and assistance to all officers to help them carry out their responsibilities for effecting the sound financial management of their services.

FR2.9 The Section 151 Officer shall report to members on the overall budget performance and recommend corrective action as and when required. They shall ensure, as far as practicable, Financial Procedure Rules and supporting policies protect the Council against any unlawful financial transactions or actions.

FR2.10 The Section 151 Officer must be given access to any necessary information to comply with his/her statutory duties.

FR2.11 The Section 151 Officer will ensure that procedures are documented and made available to users for those financial systems identified as business critical.

FR2.12 The Section 151 Officer shall, after consultation with the Chief Executive, report any non-compliance with these Rules which they consider substantial. The report shall be made initially to the Leader and, following that, to the relevant Committee depending on the circumstances.

FR2.13 The Section 151 Officer can nominate a Deputy Section 151 Officer or Officers that have the same role and responsibilities in the absence of the Section 151 Officer.

Senior Officers (Chief Executive, Executive Directors, Service and Assistant Directors, Head of Service, other designated officers)

FR2.14 Senior Officers have individual and collective responsibility to ensure that the Seven Principles of Public Life ie. The Nolan Principles, are applied in all matters relating to financial activity of the council. These are: selflessness, integrity, objectivity, accountability, openness, honesty and leadership.

FR2.15 Senior Officers of East Surrey Council have overall accountability for their revenue budgets and are ultimately accountable for ensuring effective planning and management to deliver service priorities and outcomes within the agreed budget envelope, whilst reporting any variations and working to rectify them as soon as possible. Annually Senior Officers, known as Accountable Budget Officers, are requested to acknowledge their responsibilities and budget remit for both revenue and capital. Budget Accountability Statements (BAS) are produced before the commencement of the financial year and require confirmation of the accountabilities and the budget envelope.

FR2.16 Senior Officers may delegate day to day management to a Budget Manager in his/her directorate or service, provided that a list of officers so authorised shall be supplied to the Section 151 Officer. Although day to day management of a budget may be delegated, responsibility and accountability remain firmly with Senior Officers. Effective management of resources is a fundamental requirement of managers and failure to manage budgets will be investigated under the disciplinary procedure. Persistent or significant failure could constitute gross misconduct.

FR2.17 Senior Officers shall propose annual revenue and capital budgets for each service within the budget guidelines agreed by the Executive.

Budget Managers

FR2.18 Budget Managers should make all relevant staff aware of these rules (and associated documents) and highlight the relevance and compliance of the rules to team members.

FR2.19 Budget Managers are accountable for their budget areas and to make arrangements for managing income and expenditure and ensure value for money in service delivery. Budget Managers are responsible for taking action to recover and to report on any budgetary variances, and for reporting to Senior Officers if there is a possibility that budgets may be overspent. Effective management of resources is a fundamental requirement of Budget Managers and failure to manage the budget properly will be investigated under the Council's disciplinary procedure.

FR2.20 Budget managers are responsible for the budget narrative that informs the monthly reports to Directorate Leadership Teams (DLT), the Corporate Leadership Team (CLT) and to members. Finance officers are available to support this process.

FR2.21 Senior Officers and Budget Managers are responsible for ensuring that all staff, contractors, agency workers in their directorates, anyone acting on behalf of the Council and elected members are aware of the existence and content of the Council's Financial Procedure Rules and other internal

regulatory documents and that they comply with them. They must also ensure that there is adequate availability of and access to the current version of Financial Procedure Rules.

FINANCIAL PROCEDURE RULE 3 - INFORMATION AFFECTING THE COUNCIL'S FINANCES

FR3.1 Where a matter arises in any Directorate which could materially affect the Council's finances, other than a matter already approved, Senior Officers shall consult the Section 151 Officer before any provisional expenditure is incurred or any commitment given.

FR3.2 All Executive reports shall contain a section dealing with the financial implications of the matter(s) covered by the report and shall be submitted to the Section 151 Officer, who shall satisfy himself/herself that the financial information is comprehensive and accurate before the report is finalised and published. Other committee reports that contain financial implications should follow the same process.

FINANCIAL PROCEDURE RULE 4 - PREPARATION OF FINANCIAL PLANS

FR4.1 The Section 151 Officer, in consultation with the Chief Executive, shall advise the Executive each year on the timescales and procedures to be adopted for the formulation of all Financial Plans including the Medium Term Financial Strategy, Annual Revenue Budget, Capital Strategy, Investment Strategy, Capital Programme, Treasury Management Strategy and a Housing Revenue Account Business Plan. The executive shall agree a timetable which will include stages for consultation with Overview & Scrutiny and appropriate Select Committees and other appropriate stakeholders. Members will be actively involved in scrutiny of budget proposals ahead of submission to the Executive and Council, and subsequently in the monitoring of progress.

FR4.2 Senior Officers shall adhere to the agreed timescales and procedures in providing the information required to enable the preparation of Service Development and Financial Plans.

FR4.3 In accordance with the agreed timescales, the Section 151 Officer shall submit a report to the Executive, taking account of the views of appropriate committees, with the information required to enable the Executive to recommend a Capital Strategy and Programme, Revenue Budget and Council Tax for the following financial year to Council. The report will comment on the robustness of the budget proposals submitted for approval in compliance with the requirements of Section 25 of the Local Government Act 2003.

FR4.4 The responsibilities of Senior Officers are set out in the Budget Accountability Statement (BAS). Any additional expenditure not already included in the existing Revenue Budget must be found from corresponding savings/efficiencies in other areas.

FR4.5 Senior Officers, in consultation with the Section 151 Officer, shall make appropriate arrangements for the effective identification, progression and management of external funding and partnership opportunities (there after referred to as "funding opportunity") applicable to their service area.

FR4.6 All bids for a funding opportunity for externally funded schemes shall be made in consultation with the Section 151 Officer or his/her deputy before a bid is submitted. Proper allowance must be

made for work which will have to be undertaken by all other services/directorates to implement the scheme and all costs which must be met by the Council, in consultation with the appropriate Senior Finance Manager. Some applications may require member approval, as set out in the Constitution, particularly where the Council is entering into contractual arrangements. Costings in funding bids should, wherever possible, include direct, indirect, and overhead costs, using the Commercial Rate Card as a guide.

FR4.7 All officers engaged in the progression of such schemes shall adhere to these Financial Procedure Rules, the Council's Procurement Rules and any other directions or instructions given by the Council. Where the Council has been defined by the funder as the Accountable Body for a scheme, Financial Procedure Rules applies equally to the staff of any partnering organisations in respect of the scheme.

FR4.8 Where a third party works in partnership with the Council in delivering an externally funded project, officers must ensure that a third-party agreement is in place which reflects the terms and conditions of the funding agreement between the Council and the external funder. The responsible officer shall ensure that the third-party complies with the third-party agreement to safeguard the Council's position regarding compliance with its agreement with the funder. For all significant arrangements, the advice of the Monitoring Officer should be taken on the form and content of any agreement.

FR4.9 Further guidance on preparation of financial plans timescales and procedures, submission and monitoring of capital schemes, roles and responsibilities, and funding proposals and process can be sought from the appropriate Senior Finance Manager.

FINANCIAL PROCEDURE RULE 5 - AUTHORITY TO INCUR REVENUE EXPENDITURE

FR5.1 Budget Managers are authorised to incur expenditure up to the amounts included in their approved budget. Budget managers are ultimately accountable for the spending within their budget areas. Although day to day budget management may be delegated to other budget managers, the responsibility for financial approval must remain with the budget manager in line with the workflows built into the General Ledger and Procurement Standing Orders.

FR5.2 The Section 151 Officer shall update budgets to reflect approved variations agreed by the Executive. In addition, they shall approve amendments and update the Revenue Budget in accordance with Financial Procedure Rule 6.

Officer	TBC
Budget Holder	TBC
Level 5 Service Manager	TBC
Level 4 Assistant Director	TBC
Level 3 Director	TBC
Level 2 Executive Director	TBC
Executive Members and Chief Executive	TBC

FR5.3 Overspending against the approved budget is not permitted. However, a situation may arise which requires expenditure to be incurred as a matter of such urgency that there must be no delay. If there is no, or insufficient, budget provision available, the Budget Manager should, in consultation with the relevant Senior Officer and Section 151 Officer obtain the necessary goods, and/or works, and/or services. The additional expenditure should be met by virement in accordance with Financial Procedure Rule 7.

FR5.4 The Section 151 Officer or deputies approve any non-redundancy related settlement claims (not covered by FR5.5) over £TBC; otherwise, the appropriate Senior Finance Manager. will approve.

FR5.5 The approval of special severance agreements and non-special severance and, redundancy applications (e.g. compulsory and voluntary redundancy, ill health retirement and compensation for an injury at work payments) are covered within the Scheme of Delegation Section 3 Part A.

FINANCIAL PROCEDURE RULE 6 - FINANCIAL MONITORING

FR6.1 Senior Officers shall comply with the outlined roles and responsibilities and the Budget Accountability Statement (BAS). Individual budgets may be delegated to Budget Managers/Budget Holders within the directorate; however, Senior Officers maintain overall responsibility and are accountable for managing the budgets in compliance with the Budget Accountability Statement.

FR6.2 Senior Officers are responsible for delivering services within the allocated budget. It is not acceptable to overspend, and mismanagement of the budget may lead to disciplinary action.

FR6.3 Senior Officers and Budget Managers are responsible for delivering the savings/efficiencies identified within their assigned budgets.

FR6.4 Budget Managers shall provide accurate forecast returns in accordance with the budget monitoring timetable. Any overspends against a single budget line must be met by a saving elsewhere within the budget. If an overall unavoidable overspend is likely to occur, the Budget Manager must notify the appropriate Senior Officer and Senior Finance Manager and provide a detailed explanation of why the overspend is truly unavoidable. Any underspends should also be reported early, as these may be required to offset unavoidable pressures elsewhere.

FR6.5 The monthly forecast returns should provide coherent and detailed explanations which support the reported figures activity levels for budget variances, highlight potential budget problems progress on management actions and outline the impact on future budgets.

FR6.6 On behalf of Senior Officers, Assistant Directors of Finance will present monthly monitoring reports to DLTs. The Section 151 Officer will present a consolidated monthly monitoring report to CLT.

FR6.7 Using a risk-based methodology, regular financial monitoring reports shall also be prepared and submitted, in the agreed format, to DLT, CLT and the Executive as a standing agenda item on a monthly basis.

FINANCIAL PROCEDURE RULE 7 - VIREMENT OF REVENUE BUDGETS

FR7.1 Budget approval gives Budget Managers the right to incur expenditure on behalf of the Council. Budget Managers may vire between their budget headings within the constraints outlined in the Financial Procedure Rules, in consultation with the appropriate Senior Finance Manager. Virements should not be used to adjust for under/overspends on various headings but only where a definite decision has been taken to change approved spending plans.

FR7.2 Revenue virements resulting from a change in policy or priorities (either within the same portfolio or between portfolios) will be subject to the following approval:

Amount	Minimum approval required
Up to and including £TBC	TBC
In excess of £TBC, but no more than £TBC	TBC
More than £TBC	TBC
Any amount where the movement is between the General Fund and the Housing Revenue Account	TBC

FR7.3 Exceptions to the virement rules are as follows:

Member approval is not required where a budget will continue to be used for the approved purpose but is being moved, for example, to reflect a change in budget holder responsibilities. Such transfers will however require the approval of a Finance Director and the relevant Assistant Director(s) of Finance.

Member approval is not required for budget movements arising in order to comply with the CIPFA Service Expenditure Reporting Code of Practice guidance on accounting for overheads, or budget movements arising in order to comply with proper accounting practice. Approval is required from the relevant Senior Finance Manager and/or a Finance Director.

FR8 – FEES AND CHARGES, COMMERCIAL ACTIVITIES

FR8.1 The Section 151 Officer shall issue guidance to all Directorates on the indicative levels of increase in fees and charges for services to ensure that as far as possible a common approach to charges and revisions of charges is adopted across the Council subject to cost recovery requirements set out in FR8.2.

FR8.2 Senior Officers and Budget Managers will conduct an annual review of all fees and charges, in consultation with the appropriate Senior Finance Manager, as part of the annual budget setting process. The purpose of the review would be to ensure that:

- Charges are set with the intention to recover the full cost of provision of each service.
- Any deviations should be agreed in accordance with FR8.4;
- Chargeable discretionary services are not subsidised without a specific supporting policy decision; and the level of subsidy for chargeable statutory services is recorded.

The annual review will encompass a review of the budgeted income generation, direct costs and allocated costs per the Rate Card, associated benchmarking comparatives, any changes to the local economy and any changes in legalisation to statutory services.

FR8.3 Each Directorate will supply to Finance Senior Management Team (FSMT) a list of fees and charges highlighting changes to the fee or charge, and comparative change from year to year. FSMT will consider whether any fees and charges are commercially sensitive, or politically high priority to define whether the change requires approval by the Executive or noting.

FR8.4 Once the fees and charges (discretionary and statutory) annual review has been conducted and reviewed by FSMT, within the annual budget setting timeline, the following table provides the approval and publishing delegation:

Change:		Existing fees and charges			New fees and charges
	in line with guidance or rounding ² ,	increase higher than issued guidance	Under or over recovery of costs**	part of a high priority schedule	
Approved by:	Budget Managers	Relevant Executive Member			
In consultation with:	Appropriate Senior Finance Manager	Finance Senior Management Team			
Published in:	Noted within the Executive Budget Report *	Approved by the relevant Executive member (in year changes) or within the Executive Budget Report *			

*or within another Executive report before the start of the new financial year. If commercially sensitive, the individual fees and charges would be considered for Part 2 Committee report

**see FR8.5 for costs recovery requirements.

FR8.5 In determining charges for discretionary services, the cost of providing the service should be calculated and fees charged to the service user in order to recover all direct, indirect and overhead costs, as well as current service costs, incurred by the Council in the delivery of the service and in compliance with relevant legislation. See FR8.7 regarding exceptions. Where relevant, the cost of chargeable officer time should be used as calculated by corporate finance in the Commercial Rate Card (updated annually). Senior Officers should liaise with the appropriate finance officer in relation to the proposals. Finance officers must wherever possible prevent an unintended subsidy of

discretionary services through the under-recovery of indirect and/or ancillary costs incurred in the delivery of discretionary services.

FR8.6 As part of the annual review of fees and charges, Senior Officers shall also examine the possibility of introducing charges for services where no charges are currently made. This will be undertaken in consultation with Legal Services.

FR8.7 Some fees and charges may be based on part cost recovery, subject to a supporting policy decision regarding subsidy (FR8.2). Reasoning and evidence should be provided to show why the charging of full cost would be detrimental to policy aims and that no alternative provision model is available or feasible. Non-recovery of current service costs does not require approval beyond Budget Managers.

FR8.8 Where charges are assessed according to ability to pay, Senior Officers may plan for the charges to be reduced in accordance with an assessment methodology approved by the Executive.

FR8.9 Housing rents should be set and increased annually in line with the Council's rent policy, relevant tenancy agreements, and guidance issued by the Regulator of Social Housing.

Subsidiaries of the Council

FR8.10 Revenue and capital expenditure by subsidiaries is the responsibility of the respective company Boards. Expenditure that is above thresholds set in the respective companies' Articles of Association will be approved by the Council's Shareholder Investment Panel, and additionally by the Strategic Investment Board if greater than £1m in value.

FR8.11 Approval of business plans, oversight of business performance, and other governance matters relating to subsidiaries and other investments will be provided by the Strategic Investment Board, supported by the Shareholder Investment Board and the Asset Strategy Board.

FINANCIAL PROCEDURE RULE 9 - COUNCIL TAX AND NATIONAL NON-DOMESTIC RATES

FR9.1 The setting and collection of council tax and non-domestic rates is determined by legislation. The Council will set the annual rate of council tax by dividing the total council tax requirement by the council tax base. The Council may also apply specific levies to fund designated services if permitted by legislation. Other bodies in East Surrey including parish and town councils, and the Surrey Fire and Rescue Commissioner may raise a precept on the council tax bills raised by the Council.

FR9.2 The Section 151 Officer is responsible for determining the administrative and accounting arrangements for the Council Tax collection fund. This includes approving the Council Tax base estimates.

FR9.3 As a billing authority, the Council will apply the relevant multiplier to the rateable value of each business property.

FINANCIAL PROCEDURE RULE 10 - CARRY FORWARD OF UNSPENT BUDGETS

FR10.1 The carry forward of unspent provisions in the Revenue Budget from one financial year to the next is not permitted except with explicit approval of the Section 151 Officer, in consultation with the Leader of the Council and the Executive Member for Finance.

FR10.2 The Section 151 Officer shall, as soon as is practicable, supply a detailed list of the items and amounts approved to Senior Officers and Budget Managers. The Section 151 Officer will report specific items to members within the overall outturn report.

FR10.3 Year end balances will be transferred to and from reserves by the Section 151 Officer, in line with the Council's Reserves Policy, and with the approval of the Executive.

FINANCIAL PROCEDURE RULE 11 – RESERVES

FR11.1 Reserves will be set by the Council each year as part of the budget setting process. The Section 151 Officer will advise the Executive and Council on the prudent level of reserves and balances, considering prevailing and anticipated levels of risk and uncertainty.

FR11.2 The creation of any reserve will be subject to the approval of the Executive, upon the advice of the Section 151 Officer. For each reserve established, the purpose, and usage will be clearly articulated.

FR11.3 Increases in existing reserves come about through two routes: Through the budget setting process, the setting of which requires Full Council approval; and by transfer of an underspend into reserves in accordance with the table below:

Amount	Minimum approval required
TBC	Executive Director (following consultation with deputy S151 Officer(s))
TBC	Executive Director (following consultation with S151 Officer and relevant Executive member(s))
TBC	The executive (following consultation with relevant Executive member, Executive Director and S151 Officer (if not already involved))

FR11.4 The Section 151 Officer shall be authorised to draw upon reserves for the agreed purposes of that reserve, subject to provision remaining available.

FINANCIAL PROCEDURE RULE 12 - AUTHORITY TO INCUR CAPITAL EXPENDITURE

FR12.1 The Council's approach to capital investment is set out in the Council's Capital Investment and Treasury Management Strategy, which is approved by Council as part of the budget setting papers each February. New schemes and projects will usually only be added to the Capital Programme

as part of the annual budget setting process, however, changes, capital virements and additions may be made during the year, subject to one of three decision-making structures:

Capital expenditure relating to equity investments or investment property will be subject to assessment by the officer-led Shareholder Investment Panel, the Asset Strategy Board and ultimately approved by members at Strategic Investment Board.

Capital expenditure by subsidiaries is the responsibility of the respective company Boards. Expenditure that is above thresholds set in the respective companies' Articles of Association will be approved by the Council's Shareholder Investment Panel, and additionally by the Strategic Investment Board if greater than £1m in value. All other capital expenditure will be subject to assessment by the appropriate Strategic Capital Group; for Information Technology, Infrastructure and Property, the Capital Programme Panel and formal member approval, where required by the Scheme of Delegation.

FR12.2 Capital expenditure other than on equity investments and investment property is subject to a governance route based on value and an assessment of impact and risk. New capital schemes and projects and changes to existing schemes and projects are assessed and scrutinised in up to three stages prior to being included in the Capital Programme:

- Senior Finance Manager or their nominated officer for Information Technology, Infrastructure and Property.
- Strategic Capital Groups, comprising the Head of Service or their nominated officer and Senior Finance Manager. Strategic Capital Groups can make decisions on new approvals of up to £TBCm, or approve existing schemes where the scheme or project is within the approved Capital Programme Budget and does not require additional officer or member approval, based on an assessment of impact and risk. Variations to existing budgets can be approved up to TBC% of total budget, up to a maximum of £TBCm.
- The Capital Programme Panel, comprising of the Section 151 Officer or their nominated officer, the chairs of the Strategic Capital Groups and other nominated officers. The Capital Programme Panel can make decisions on new approvals of up to £TBCm where the scheme or project does not require member approval based on an assessment of impact and risk. Variations to existing budgets can be approved up to TBC% of total project budget, up to a maximum of £TBCm.
- Approval by the Executive is required for all other additions and changes.

Where overarching capital programmes are included in the capital budgets approved by the Executive and Council as part of the capital budget setting progress, overarching programme strategies should also be approved by the Executive, setting out the parameters for incurring capital expenditure against these programme budgets.

Where overarching strategies delegate the approval of individual schemes over £TBCm to the relevant Executive Member(s) and Executive Director(s), subject to scrutiny of business cases by the Capital Programme Panel. Individual schemes should initially be reviewed by Capital Programme Panel and then be signed off by the relevant Executive Director(s). Final approval will be via the relevant Executive Member(s) via a formal delegated decision sheet which will be published and subject to call-in processes.

In these cases, the Executive member, Executive Director and Capital Programme Panel will also be responsible for ensuring, in consultation with Strategic Capital Groups, that the overarching strategy approved by the Executive remains deliverable within the overall programme budget and that key metrics, e.g. number of additional school places, will be delivered.

FR12.3 All proposed schemes must be based on a robust business case and subject to appropriate internal or external due diligence. In particular the business cases must ensure:

Capital Programme proposals are consistent with the Council's Organisation Strategy, Capital Strategy and Investment Strategy, Asset and Place Strategy and Directorate Strategies and have a strategic mandate to proceed; each capital scheme or project is assessed for both financial and service risk; the proposed timetable for the scheme or project is realistic; and all associated revenue implications are fully quantified and covered in the current and future years.

FR12.4 Only those schemes and projects that meet the strategic priorities and have been assessed via the stages outlined above, subject to member approval where required, will be approved as part of the Capital Budget. Projects in an earlier stage of development may be included in the Capital Pipeline but will require business case approval, assessed via the stages outlined above, before they can commence.

FR12.5 Contracts for capital works will be awarded in accordance with the rules set out in Procurement Standing Orders.

FINANCIAL PROCEDURE RULE 13 - MONITORING OF THE CAPITAL PROGRAMME

FR13.1 Once a capital scheme or project has been approved in the Council's Capital Programme Budget, each Budget Manager shall be responsible for monitoring expenditure, and for providing information in accordance with arrangements set out in the Capitalisation Handbook to enable regular reports to be submitted to DLTs, CLT, Select Committees and to the Executive. Note: Annually Senior Officers, known as Accountable Budget Officers, are requested to acknowledge their responsibilities and capital budget remit. Budget Accountability Statements (BAS) are produced before the commencement of the financial year and require confirmation of the accountabilities and the budget envelope.

FR13.2 If necessary and following consultation with the Section 151 Officer or their nominated officer, virements may be made between capital schemes to reflect the value of each accepted tender. Virements should be approved by the appropriate Strategic Capital Group, Capital Programme Panel or the Executive based on the thresholds and non-financial factors set out in FR11.2.

FR13.3 Block items within the Capital Programme comprising multiple schemes (e.g. Maintenance and Minor Works Programmes) shall be regarded as a single project subject to the total scheme costs not being exceeded and satisfying the requirements of any external funder.

FINANCIAL PROCEDURE RULE 14 – FINANCIAL ACCOUNTS

FR14.1 The Section 151 Officer shall ensure that all financial transactions of the Council are accurately reflected in the Council's accounting records.

FR14.2 All financial systems, accounting policies and accounting records shall be in a form agreed by the Section 151 Officer. All proposed changes to accounting policies must be approved by the Section 151 Officer and discussed with the Council's external auditors, in line with accounting standards.

FR14.3 The Section 151 Officer will make appropriate arrangements for and advise officers and members on all taxation issues that affect the Council.

FR14.4 The Section 151 Officer will sign off the annual Statement of Accounts, once they are satisfied that the statement represents a true and fair view of the financial position of the Council. The Statement of Accounts will be submitted for approval to the Audit and Governance Committee.

FR14.5 Senior Officers are required to sign a Manager's Assurance Statement each year in a form prescribed by the Section 151 Officer to assist with evidence for the annual accounts. The Manager's Assurance Statement would be issued at the end of the financial year confirming: adherence and compliance to all relevant governance, contingent liabilities, post balance sheet events, claims, related parties and conflicts of interest related to financial year end transactions, and contribution and the correlation of actual financial year end position links to the outturn report.

The group of Senior Officers signing a Manager's Assurance Statement is similar to the group acknowledging Budget Accountability Statements. The Manager's Assurance Statements addresses those areas that do not have budgets due to being funded from other sources like Better Care Fund and mid-year alignments. Note: Budget Accountability Statements (BAS) are for Accountable Budget Officers acknowledging the framework and remit of responsibilities at the beginning of the financial year. The BAS outlines the budget responsibilities of the new financial year.

FR14.6 Arrangements for the retention or destruction of financial records shall be in accordance with the Council's Record Retention Policy. In any event, no document relating to the financial transactions of the Council, or its employees shall be destroyed before the completion of the External Audit for the year concerned.

FR14.7 Senior Officers shall be responsible for ensuring that there are adequate arrangements, in respect of financial information held in electronic form, to safeguard continuity in the event of an emergency and shall comply with the requirements set out in the Council's IT Security Policy.

FINANCIAL PROCEDURE RULE 14 - DUTY TO CARRY OUT AUDIT

FR15.1 The Section 151 Officer shall ensure that the Council maintains an adequate and effective system of internal audit of its accounting records and of its system of internal control in accordance with the proper internal audit practices, as laid down in The Accounts and Audit Regulations. This also extends to external audit, where appropriate, subject to external partners and external funding requirements. To facilitate independence and objectivity in reporting, the reporting lines of the Internal Audit function should be unfettered by line management structures so that direct access to any officer, member or external regulating authority (e.g. external audit) will be available.

FR15.2 In order to discharge his/her responsibilities under FR14.1 above, the Section 151 Officer, Internal Audit and any other authorised staff shall have the right to:

- Enter any Council premises or land at any reasonable time, without prior notice;
- Have access at all times to all records and documents (including email and correspondence) relevant to the business of the Council as maintained by the Council or third parties on its behalf including (but not limited to) external contractors and consultants;
