- A recommended budget for 2017/18

2 Forecast for 2016/17

- 2.3 Based in these assumptions the forecast of the working balance at year end is approximately £122,930.

3 Budget for 2017/18

- 3.1 The Committee's estimates for 2017/18 are also attached in Annexe 1.
- 3.2 Net expenditure is budgeted at £200,100, a decrease of £150 on the 2016/17 original budget.
- 3.3 The budget position for 2017/18 detailed at Annexe 1 is summarised below:-

	£000
Grounds Maintenance	90
Mansion House Maintenance	113
Staffing and central expenses	160
Less: Rent and other Income	(163)
Net Expenditure	200
Contributions from LBS/EEBC	(199)
Budget Deficit	1

- 3.4 The estimates have been prepared using the following assumptions:-

- 3.4.1 Grounds Maintenance: General maintenance and patrolling are carried out by the Epsom and Ewell Borough Council's operational services division.
- 3.4.2 Tree Maintenance: A provision of £12,300 has been made for the tree maintenance which reflects a saving due to the reduced price on the new contract. This will enable works to be completed at the same level as performer under the previous contract.
- 3.4.3 Planned Property Maintenance: Provision has been continued for maintenance to be carried out by Epsom and Ewell's facilities management contractor.
- 3.4.4 Backlog Maintenance and Repairs: The draft budget for 2016/17 includes a provision of £70,000 towards on-going maintenance of properties in the park.

3.4.5 Rent: The budget assumes rent income from occupied staff properties, the lease of the ground floor of the Mansion House and rent from Nursery Lodge. It also assumes rental income from Flat 3.

3.5 The current downside for financial risk remains the condition of the buildings, especially the Mansion House, as well as roads and parking surfaces. In the current year extra work to the Mansion circular roof light has been carried out.

3.6 The budget includes a provision of up to £5,000 for contribution to LB Sutton staffing costs should LBS provide the lead on a grant bid for repairs to the Mansion House or other bids that leverage external investment.

Contributions

3.7 The draft estimates for next year show a budget deficit of £1,000 after no increase in Borough contributions for 2017/18. The JMC will request that contributions of £99,400 be sought from each Borough for 2016/17.

3.8 Price inflation at November 2016 was -1.2% (consumer price index).

3.9 Variations in income can be calculated at £2,000 for each 1% increase or decrease in contribution levels.

3.10 Contributions are subject to confirmation by the Borough's who have yet to finalise their budgets for 2017/18. Both Councils expect further reductions in core government grant funding next year.

Working Balance

3.11 The JMC's estimated working balance at 31 March 2017 is £122,930 and the draft 2017/18 budget expects a £1,300 deficit.

4 Repairs and Renewals Fund

4.1 The balance of the fund at 31 March 2016 was £16,320. No contributions are budgeted for 2016/17 or planned for 2017/18.

5 Risk Assessment

5.1 The main risks that the JMC has been managing, as previously identified are:-

- Funding needed for major repairs and maintenance
- Vacant properties / loss of rent
- Lack of resource to fund Management Plan

6 Conclusions

6.1 The JMC's financial position continues to improve with additional revenues from lettings being utilised to address the highest priority property repairs.

- 6.2 The budget strategy entails using operational cost savings and extra rent income to carry out phased repairs, so that the condition of property in the park can be improved over time, and to seek external funding for assistance with major works needed to the Mansion House.
- 6.3 No increase in contributions to be requested from both Councils for 2017/18.
