Introducing a premium weekly waste and recycling service as standard for all residents and encouraging more household waste to be recycled	Promote household recycling by holding: <ul style="list-style-type: none"> • Three road shows, and • 12 school events 	Head of Operational Service Ian Dyer	31 March 2017	(see below)		
	<p>April to Sept: Overall, 21 roadshow events have been completed. A further 2 roadshows will take place on 22 and 23 October respectively, which will complete our planned programme of 23 events. Schools activities will be ongoing throughout the year and over 12 events have been completed so far.</p> <p>In addition, we have now decided to do:</p> <ul style="list-style-type: none"> ○ Some more Simply Weekly Recycling-focusing on specific schools events closer to Christmas ○ Simply Weekly Recycling roadshows in the spring, just before the launch. For these, we'll focus on the key message of "how will you know when The Big Switch is happening for you?", which will synchronise with a similarly-themed Borough Insight article that will go in the March edition of Insight. 					
	<p>This target is ongoing but those set for 2016/17 as detailed in this report have been achieved.</p>					
	<p>Oct to Dec: All aspects to date of the communications plan reviewed in June 2016 by Environment Committee have been carried out. Key features have been a Big Switch 'taster' bin hooky, a Borough Insight centre-spread and 23 roadshows which were carried out during September and October 2016. A further centre-spread, and also cover, will feature in the spring 2017 Borough Insight. Additionally, the popularity of the roadshows has convinced officers to carry out further roadshows in the spring – this time focusing on 'when and how the Big Switch will happen at your house'. Details of the roadshows will appear in the spring Borough Insight and on the website www.epsom-ewell.gov.uk/thebigswitch. On-going work with schools (carried out throughout the year by our dedicated Waste Services Assistant) has moved to a Big Switch theme in support of pre-launch communications.</p>

Encouraging and supporting volunteering initiatives	Support at least three community/volunteer clean up campaigns	Head of Operational Service Ian Dyer	31 March 2017	<p>April to September: There have been a number of new volunteer initiatives and a booklet has been produced in liaison with our Legal Team to enable volunteer groups to participate in clean up campaigns for the Council whilst being covered by our insurance. We have achieved our target of three volunteer campaigns. The volunteer litter picking groups that we have supported this year include Kingston Road Residents, Ewell Village RA, Stoneleigh RA, Epsom Town RA and Noble Park Residents. We are also in discussion with running groups at Nonsuch Park and volunteers from County Care Independent Living who are interested in litter picking in the parks. Target achieved.</p> <p>Oct to Dec: Further to our previous report, volunteers from County Care Independent Living are now actively assisting with litter picking in Ewell Court Park and surrounding areas on a fortnightly basis (or as volunteer resources allow).</p> <p>In addition another litter picking campaign has been carried out during this period in West Ewell Ward led by the Resident's Association. Our Rangers are in conversation with Councillor Clive Woodbridge about arranging further volunteer litter picks in the Ewell Village Area. The Nonsuch Volunteer Group (Nonsuch Voles) has recently hosted students from Ewell Castle School to carry out woodland works in Nonsuch Park.</p>
