Dear Sir or Madam

Dia Y Noche Limited, 39 The Oaks Square, Epsom, KT19 8AS

Please accept this letter as a representation to the application for premises licence at the above address on the grounds of the prevention of public nuisance.

In my view, the steps contained within the operating schedule submitted as part of the application are insufficient having regard to the locality, the type of entertainment proposed and the history of the building and the problems encountered when it was previously used as an evening entertainment venue.

I have been working with the applicant on improvements and he has responded by consulting experts who are supporting him with recommendations for additional measures. I anticipate therefore I will be able to withdraw this representation once I have assurances from the operator.

However, since I understand today is the last date for representations I would be grateful if you can consider this as a valid representation and inform me in due course of when the hearing date is likely to be.

Yours faithfully,

Oliver Nelson
