General

FCR 2 Unless otherwise stated in these rules of procedure or statute, where anything in these Rules of Procedure is required to be done in writing, it may be done by email.

FCR 3 A rule, or part of a rule, may not be suspended or revoked if it reproduces a statutory requirement. It is not necessary for the exact words of the statute to be repeated in a rule. Such rules will be identified in bold type but the presence or absence of bold type does not affect the operation of this paragraph. Any of the other rules may be suspended by the Council by agreeing a motion to that effect provided that either:

- (a) A notice of motion has been given under FCR 73 including an intention to suspend the Council's rules of procedure; or

- (b) A motion has been moved under FCR 80 (motions which can be moved without notice) and at least two thirds of the whole number of members of the Council is present.

Challenging previous decisions

FCR 4 Until two further ordinary meetings of the Council have been held no motion may be moved to rescind or alter any decision of the Council or a decision of a committee on a matter within its terms of reference, and no motion or amendment to the same effect as one which has been rejected by Council or a committee shall be moved unless, in either case: -

- (a) it is recommended by a committee; or
- (b) notice of the motion has been given by at least seven Members of the Council acting together

Calling a meeting

FCR 5 The Council will meet on such dates each year as are agreed when the calendar of meetings is approved or amended (ordinary meetings); the first ordinary meeting of each municipal year will be the Annual Meeting.

FCR 6 **The Annual Meeting shall normally be held on an appropriate date in May at 19.00 hours.**

FCR 7 A meeting of the Council can be called at any time by the Mayor (an extraordinary meeting).

FCR 8 The Chief Executive, Director of Finance and Resources and Monitoring Officer can each at any time direct that a meeting of the Council be called (an extraordinary meeting).

FCR 9 **Any five members acting together may direct that a meeting of the Council be called (an extraordinary meeting). The members shall first send a joint written request asking the Mayor to call a meeting (the request should be sent to the Head of Legal & Democratic Services). If the Mayor refuses or does not call a meeting within seven days after receiving the request, the members may direct the Head of Legal & Democratic Services to do so forthwith. The request shall set out the business to be considered at the meeting.**

FCR 10 **In relation to every meeting, the Head of Legal & Democratic Services shall send by post to all members a Summons to the meeting at least six clear working days before the day of the meeting.**

FCR 11 **The Summons shall specify the business proposed to be transacted at the meeting to which it relates.**

FCR 12 Unless the contrary is set out in the Summons, meetings of the Council shall begin at 1930 hours and shall be held in the Council Chamber at The Town Hall in Epsom.

The mover of the motion shall be entitled to make a short statement (maximum two minutes) to explain why they believe the order of business should be changed.

FCR 17 Business which the Council decides should be dealt with after the press and public have been excluded shall normally be considered after all other business has been concluded.

FCR 18 On consideration of the minutes of a previous meeting, there shall be no discussion except in relation to their accuracy. Any question as to the accuracy of the minutes shall be raised by way of a formal motion seeking to alter the minutes. **Following approval of the minutes they shall be signed by the Mayor.**

Quorum

FCR 19 **No business may be transacted at a meeting of the Council unless at least one quarter of the members of the Council are present** (currently ten members).

FCR 20 **Where more than one third of the members of the authority become disqualified at the same time, then, until the number of members is increased to not less than two-thirds of the whole number of members, the quorum shall be determined by reference to the number of members remaining qualified.**

FCR 21 If at the time a meeting is scheduled to start, or at any time during a meeting, the Mayor declares that a quorum is not present, the meeting shall be adjourned to a date and time fixed by the Mayor at the time the meeting is adjourned, or to the date of the next ordinary meeting of the Council.

Voting

- FCR 22** Subject to the provisions of any enactments all questions coming or arising before the Council shall be decided by a majority of the members of the authority present and voting thereon at a meeting of the authority.
- FCR 23** A question may be decided by “unanimous consent” where the Mayor asks if a matter is agreed and no member objects. In the event of any member objecting, a formal vote shall be taken.
- FCR 24** Except as otherwise provided, voting shall be on a show of hands of those present.
- FCR 25** In the case of an equality of votes, the Chairman of the meeting shall have a second or casting vote.
- FCR 26** The number of members voting for or against a motion shall be recorded in the minutes.
- FCR 27** Before any vote is taken, any member may stand and ask for the voting to be recorded. If that member is supported by seven other members rising immediately in their places, the voting shall be recorded in the minutes to show how each member cast their vote. The names of members not voting shall also be recorded.
- FCR 28** Unless a recorded vote has been taken, immediately after any vote has been taken, following a request to that effect from any member, their vote for or against the motion, or the fact that they did not vote, shall be recorded in the minutes.
- FCR 29** Where there are any appointments to be made to outside bodies by the Council and the number of persons nominated exceeds the number of vacancies, a secret ballot shall be held. Each member shall be entitled to vote for as many individuals as there are vacancies. The nominee(s) with the most votes shall be taken to be appointed. The Chief Executive shall announce the voting figures and shall identify the successful candidates to the meeting, which shall be asked to give its consent to the appointments.

Appointment of Committees and Chairmen

- FCR 30** The Council shall at the Annual Meeting appoint such committees, sub-committees, advisory panels and other bodies as are deemed necessary to carry out the work of the Council.
- FCR 31** The Council may at any time appoint such other Committees or bodies as are necessary to carry out the work of the Council, whether on an ongoing or time-limited project specific basis.
- FCR 32** Subject to any statutory provision, the Council:-

- (a) shall not appoint any Member of a Committee to hold office later than the next Annual Meeting of the Council;
- (b) may at any time dissolve a Committee, sub-committee, advisory panel or other body, or alter its membership.

FCR 33 The Council shall at the Annual Meeting elect Chairmen and Vice-Chairmen of Committees, Sub-Committees and Advisory Panels.

FCR 34 At any one time a Member may hold the office of Chairman of only one of any of the following committees:

- (a) Any of the four policy committees
- (b) Planning
- (c) Licensing

Role of the Mayor

FCR 35 The appointment of the Mayor is to be the first business at the Annual Meeting of the Council.

FCR 36 In the event of a casual vacancy in the office of Mayor, the Mayor will be appointed in accordance with section 88 of the Local Government Act 1972.

FCR 37 The Mayor, if present, shall preside at meetings of the Council.

FCR 38 If the Mayor is absent, the Deputy Mayor shall preside at a meeting.

FCR 39 If both the Mayor and Deputy Mayor are absent, the first business of the meeting shall be to elect a member to take the chair and preside over the meeting.

FCR 40 All powers or duties of the Mayor at a meeting may be exercised by whoever is appointed to preside over the meeting.

FCR 41 The ruling of the Mayor as to the meaning or application of these rules of procedure or as to any proceedings of the Council shall be final and shall not be challenged at any meeting of the Council.

FCR 42 Subject to FCR 13, 14 and 15, the order of business to be set out in a Summons shall be approved by the Mayor.

FCR 43 The Mayor shall decide whether any question or motion submitted by a member is in order and should be included in the summons. If any question or motion is ruled out of order, the member or members who gave it shall be informed of the reason for such ruling.

- FCR 44** The Mayor, following consultation with the Chief Executive, shall decide whether an item of business not set out in the summons shall be considered at a meeting as a matter of urgency by reason of special circumstances, which shall be announced and specified in the minutes of the meeting.
- FCR 45** The Mayor shall rule on any point of order which arises during a meeting, and shall first be entitled to seek such advice as they think necessary.
- FCR 46** The Mayor shall control the debate on any matter to avoid excessive repetition and confine debate within the scope of the meeting and reasonable limits of time. In so doing, the Mayor shall remain impartial and ensure that different viewpoints are heard.
- FCR 47** The Mayor shall be entitled not to allow any amendments which are frivolous or vexatious. The Mayor shall also be entitled not to allow any further amendments where several amendments have already been considered and considers that further amendments would have the effect of unreasonably prolonging debate on a matter before the Council.
- FCR 48** Whenever the Mayor stands up during a debate any member then standing shall resume their seat and the Council shall be silent. The Mayor may interrupt the debate to restore order by using the command “order”, or by striking the gavel. The Council must then be silent until the Mayor calls on a Member to speak.

Disturbance by the public

- FCR 49** If a Member of the public interrupts the proceedings at any meeting the Mayor shall issue them a warning. If they continue the interruption the Mayor shall order their removal from the Council Chamber. In case of general disturbance in any part of the Chamber open to the public the Mayor shall order that part to be cleared.
- FCR 50** In the event of a public disturbance, the Mayor may without question adjourn the meeting for such period as s/he considers expedient.

Disorderly conduct by Members

- FCR 51** If any Member:

- (a) Persistently disregards the ruling of the Mayor; or
- (b) Behaves irregularly, improperly or offensively; or
- (c) Deliberately disregards established procedure; or
- (d) Deliberately obstructs the business of the meeting;

then the Mayor may name the Member and require them both to apologise and to correct their behaviour immediately, or to do either.

FCR 52 If a Member named by the Mayor under the paragraph above continues their misconduct, the Mayor may do any or all of the following at their discretion at any time during the meeting:

- (a) forbid the Member from speaking for some or all of the rest of the meeting;
- (b) order the Member to leave the meeting for all or part of the remaining business.
- (c) order the Member to be removed from the meeting.
- (d) adjourn the meeting for such period as they think fit

FCR 53 A Member may not impute improper motives, or use any offensive expression, to any other Member. The Mayor shall be the sole judge at the meeting of when this rule has been broken. If a Member ignores or rejects the Mayor's ruling the Member shall be dealt with under the two preceding paragraphs.

Guillotine

FCR 54 Any meeting of the Council which has sat continuously for four hours shall, if items remain to be dealt with, be adjourned to a day and time to be appointed by the Mayor.

FCR 55 At Council meetings commencing at 1930 hours, if all business has not been dealt with by 2300 hours, the Mayor shall then review the order of the remaining items on the agenda. Any items still outstanding shall be dealt with in the order announced by the Mayor and in order to do so the Mayor may, if necessary, invoke FCR 16, and/or (in accordance with FCR 80(h)) may move suspension of FCR 54 (adjournment of meeting after four hours), so that consideration of business can continue beyond four hours.

Adjournment of meetings

FCR 56 The Council may adjourn any meeting to a later hour on the same day, or to any other day and hour so long as it is within 10 working days of the original meeting.

FCR 57 If no date is set by Council for a reconvened meeting, the date shall be determined by the Mayor in consultation with the Chief Executive.

FCR 58 An adjourned meeting shall be deemed a continuation of the original meeting.

FCR 59 No business shall be transacted at any adjourned meeting which was not included in the notice convening the meeting of which it is an adjournment.

FCR 60 Written notice of the adjourned meeting shall be sent by the Head of Legal and Democratic Services to each Member specifying the business to be transacted.

Questions from Members of the Council

FCR 61 A member of the Council may ask a question at any Council meeting if the requirements of this standing order are satisfied.

FCR 62 The question must be addressed to the Mayor or the Chairman of any Committee, sub-committee or advisory panel.

FCR 63 The question must relate to a matter which concerns the Council's powers or duties or which affects the Borough or its inhabitants.

FCR 64 Notice of the question must be given in writing to the Head of Legal & Democratic Services no later than three clear working days before the day of the meeting.

Note: The deadline for questions for a meeting of the Council held on a Tuesday is therefore the preceding Wednesday (17.00 hours)

FCR 65 Questions shall be called by the Mayor in the order in which notice of the question was received, except that if a member gives notice of more than one question, their second or subsequent question(s) shall appear after all of the first questions submitted by other members, and so on.

FCR 66 Where practicable, a written answer to each question shall be circulated to all members no later than one working day before the meeting. Any oral answer shall be committed to writing and shall be published within three working days after the meeting.

FCR 67 Every question shall be put and answered without debate or comment from any other member. If no written answer has been circulated to members in advance, when answering a question the person to whom it is put shall state why it has not been practicable to provide a written answer.

FCR 68 Their question having been called at the meeting, a questioner may ask one supplementary question which must be relevant to the subject of the question on notice. If a Questioner knows they will be absent from the Council Meeting, they may notify the Mayor which member they wish to substitute for them and ask a supplementary question on their behalf. If the member is absent and no substitute has been appointed, the Mayor shall first ask whether any other Member from within the same Group as the questioner wishes to take the opportunity to ask a supplementary question. If the member concerned is not in a group or no member of the group wishes to ask a supplementary question, any other Member may indicate to the Mayor their wish to ask a supplementary question, and the Mayor shall call on the first to do so to ask their question.

- FCR 69** The Mayor shall allow up to 30 minutes for questions and their replies at the meeting. If a question is being asked or answered at the time limit, the answer must be completed within 5 minutes. A written answer must be provided within 3 working days to any questions not called within the 30 minute period and in respect of which no written answer has already been circulated to members.
- FCR 70** With the consent of the Mayor, following consultation with the person to whom the question is addressed, a question may be asked of which the notice required by FCR 64 has not been given where the question relates to an urgent matter. In this case notice shall be given, as soon as practicable, and not later than noon, on the day of the meeting.

Motions

- FCR 71** Subject to FCR 73 (notice to be given in writing), any member of the Council may propose a motion at any meeting of the Council.
- FCR 72** A recommendation from a committee shall constitute a motion to be proposed by the Chairman, and shall not require to be seconded. If the Chairman is not present, the Vice-Chairman or another member of the committee shall propose the recommendation.
- FCR 73** Subject to FCR 80 (motions which may be moved without notice), a notice of motion (other than a recommendation from a Committee) must be given in writing and delivered to the Head of Legal & Democratic Services by no later than 5pm on the eighth clear working day before the date of the meeting at which it is intended to be considered. A record will be kept of all motions received and these will be dated and numbered in the order in which they were received.

Note: The deadline for notice of motions for a meeting of the Council held on a Tuesday is therefore the Wednesday (17.00 hours) of the week prior to the week immediately preceding the meeting.

- FCR 74** All motions must be relevant to some matter on which the Council has powers or duties, or which affects the borough.
- FCR 75** If notice is given of any motion which in the opinion of the Mayor, following consultation with the Head of Legal & Democratic Services is out of order it shall not be accepted and placed on the agenda. If a motion is not accepted the member who gave the notice will be informed in writing.
- FCR 76** All motions of which notice has been duly given shall be set out in the summons for the meeting in order of receipt.
- FCR 77** If a motion set out in the summons is not moved either by the member who gave the notice or some other member it shall be treated as withdrawn and shall not be moved without fresh notice being given.

FCR 78 A motion which has been moved and seconded may only be withdrawn with the consent of the meeting.

FCR 79 The Council shall first be invited to decide how a motion on notice from a member should be dealt with. In particular the Council will be asked to decide whether to debate a motion immediately or to refer it to the appropriate committee. Before the Council takes the vote, advice shall first be sought from the Chief Executive. If there is not unanimity as to the course of action, the proposer of the motion shall then have the right to make a statement of up to two minutes in length as to what course of action they consider should be followed, and the appropriate committee chairman shall have the right to respond, also for up to two minutes. The question of referral shall then be put to the vote. If the matter is referred to a committee, the committee in question must consider the motion and will normally make a final decision on the motion if they have delegated authority to do so, or make a report and recommendation to Council if they do not have such authority.

Motions which may be moved without notice

FCR 80 The following motions may be moved without notice:

- (a) To appoint a person to preside at a meeting
- (b) To correct the minutes
- (c) To change the order of business
- (d) To remit a matter to a committee
- (e) To appoint a committee arising from an item mentioned in the summons

- (o) To exclude the public
- (p) To give the consent of the Council, where consent is required by these standing orders

General rules of conduct during a debate

FCR 81 Whilst a motion or amendment is under debate no other motion shall be moved except any one of the following:

- (a) To remit a matter to committee for consideration/reconsideration
- (b) To defer consideration of a matter to a later date
- (c) To adjourn the meeting
- (d) To proceed to next business
- (e) That the question be now put
- (f) That a member be not further heard
- (g) To exclude the public
- (h) To give the consent of the Council, where consent is required by these standing orders

FCR 82 All members must address the Mayor when speaking during a Council meeting.

FCR 83 The maximum time for any speech shall not be exceeded except with the consent of the Mayor.

FCR 84 Only one member shall speak at any one time, and members shall stand whilst speaking. All other members shall remain seated, unless rising to make a point of order/personal explanation.

FCR 85 Members must not speak about anything except the subject under discussion, or to raise a point of order, point of personal explanation or one of the motions listed below

FCR 86 If a member stands to raise a point of order or point of personal explanation, the Member shall be heard immediately, and any member then speaking shall give way.

FCR 87 A point of order relates only to an alleged breach of a rule of procedure or statutory provision. The member raising the point of order shall specify which rule of procedure or statutory provision is involved and how the Member thinks it has been broken. The Mayor's ruling on any point of order is final (FCR 41 refers)

- FCR 88** A point of personal explanation is an opportunity to correct an apparent misunderstanding of comments made by the member earlier in the debate. The member raising the point shall specify what the Member said earlier and how they feel this has been misunderstood. The Mayor's ruling on any point of order is final (FCR 41 refers)

Rules of debate

- FCR 89** There shall be no debate unless a motion has been proposed and (except where specifically stated) seconded.
- FCR 90** The proposer of the motion shall speak first (max 5 minutes)
- FCR 91** The seconder of the motion may speak immediately after the proposer or indicate that they wish to speak later in the debate but will not be allowed to speak after the relevant Chairman.
- FCR 92** The motion shall then be opened for debate.
- FCR 93** Members wishing to speak shall indicate this by raising an arm to catch the attention of the Mayor.
- FCR 94** Members shall generally be called to speak (max 3 minutes) in the order in which the Mayor notices their wish to speak, except that the Mayor may alternately invite speakers from opposing sides of the debate, to seek to maintain a balanced debate.
- FCR 95** No member may speak more than once on the same matter (unless otherwise stated).
- FCR 96** When there is no-one else wishing to speak, or the Mayor determines that there has been sufficient discussion (see FCR 46 and 47), or following agreement of a "closure motion" (see FCR 107 to 111), the Mayor shall call on the Chairman of the relevant committee to reply to the debate (max 5 minutes), following which the proposer of the motion, if it is not a recommendation from a committee, shall have a final right of reply to the debate (max 5 minutes), before the motion is put to the vote.

Amendments

- FCR 97** Amendments to a motion may be submitted in writing in advance of the meeting. Amendments which have been submitted in advance will be called by the Mayor in such order as shall best facilitate their consideration, immediately following the speech of the proposer, but shall be moved and seconded before being debated.
- FCR 98** In accordance with FCR 89, an amendment to a motion may also be moved and seconded during the debate but shall be provided in writing to the Mayor before being debated.
- FCR 99** Only one amendment shall be debated at a time.

FCR 100 An amendment must be relevant to the motion. It must take the form of a proposal:

- (a) To refer the matter back to committee
- (b) To leave out words
- (c) To leave out words and insert or add others
- (d) To insert or add words

FCR 101 The Mayor shall not accept an amendment if,

- (a) it is outside the scope of the original motion
- (b) it is outside scope the meeting
- (c) it is outside the Council's powers
- (d) it would contravene FCR 4 (challenging a previous decision)and/or
- (e) has the same effect as voting against the motion.

FCR 102 The mover of the amendment shall speak first (max 5 minutes)

FCR 103 Members shall be called in turn (see FCR 84 above).

FCR 104 A member who has spoken on the original motion or on any amendment may speak again on any subsequent amendment (max 3 minutes).

FCR 105 The Chairman of the relevant committee shall have the right of reply at the close of debate on an amendment (max 5 minutes), following which the mover of the original motion may reply to the debate on an amendment (max 3 minutes). Neither the Chairman of the relevant committee nor the mover of the original motion shall otherwise speak on an amendment. If they do so, they forfeit their right to reply to the debate on that amendment.

FCR 106 If an amendment is carried the motion as amended takes the place of the original motion and becomes the substantive motion to which any further amendments may be moved.

Closure motions

FCR 107 At the conclusion of the speech of another member any member (except the proposer or seconder of the motion and, as the case may be, the amendment under debate), including the Mayor, may move one of the motions listed in FCR 81 (a) to (e) above (a "closure motion"). When moving a closure motion the member must refer to these rules of procedure and state which motion they are moving and, once the Mayor has ruled that the motion is in order, will be given the opportunity to explain why it is being moved (max 2 minutes).

- FCR 108** On a motion to remit a matter to a committee, the Mayor shall give the chairman of the committee the right to reply to the motion (max 3 minutes), after which the motion shall be put to the vote without debate or comment.
- FCR 109** On a motion to defer consideration of a matter to a later date or to adjourn the meeting, if the Mayor considers that the matter requires further discussion but cannot reasonably be discussed at the meeting in question, the motion to defer shall be put to the vote without debate.
- FCR 110** On a motion to proceed to next business, unless the Mayor thinks that the Council needs to reach a decision at that meeting on the matter then under consideration, the motion to proceed to next business shall be put to the vote, without comment or debate.
- FCR 111** On a motion that the question be now put, unless the Mayor thinks that there has been insufficient debate of the matter, the Mayor shall first put to the vote the motion that the question be now put and, if it is passed, shall give the mover of the motion under consideration a right of reply (max 5 minutes) before putting that motion to the vote.

Questions from the public

CPR 2 At meetings of the Council's policy committees, Planning Policy Sub-Committee, Licensing Committee and Scrutiny Committee up to 30 minutes will be set aside for written or oral questions from any member of the public who lives, works, attends an educational establishment or owns or leases land in the Borough on matters within the Terms of Reference of the body in question.

CPR 3 A person who wishes to ask a written question must submit their question in writing (either in hard copy or by email) to the Council's Head of Legal and Democratic Services. The written question must arrive by 5.00pm on the fifth working day before the day of the meeting.

Note: For example, for a meeting on a Wednesday, the request must therefore arrive by 5.00pm on the Wednesday of the week before the meeting.

CPR 4 The member of the public must set out: (a) the wording of the question they wish to ask (b) an address, email address or telephone number at which they can be contacted before and after the meeting (c) whether they live, work, attend an educational establishment or own or lease land in the Borough and if so, details.

CPR 5 The question or topic may not relate to a specific planning application or decision under the Planning Acts, a specific application for a licence or permit of any kind, the personal affairs of an individual, or a matter which is exempt from disclosure or confidential under the Local Government Act 1972. Questions which in the view of the Chairman are vexatious or frivolous will not be accepted.

CPR 6 Following receipt of a written question, the Head of Legal and Democratic Services will ensure that the applicant is contacted and told whether their request complies with the conditions above and if so what the procedure will be at the meeting. If contact details are not readily identifiable or have not been supplied, the question will not be accepted even if in all other respects it is valid.

CPR 7 Questions must be addressed to the Chairman of the relevant meeting

CPR 8 The Chairman may decline to answer a question or may give an answer orally at the meeting or may provide a written reply. If available, the questioner will be supplied with a written answer before the Meeting. At the Meeting, and as part of the initial response to a question, the Chairman may invite other members of the relevant body to contribute or simply refer to a publication where the answer or further details may be found.

- CPR 9** At the Meeting the Chairman will ask the questioner if the response answers their concern or if they wish to ask one supplementary question. If a supplementary question is asked, it must be relevant to the subject of the original question. The Chairman may decline to answer a supplementary question or invite other members of the relevant body to contribute to a response.
- CPR 10** Written questions and any supplementary questions to written questions shall be taken first. Written questions shall be taken in the order they were received followed by any oral questions until 30 minutes have elapsed since the first question was called.
- CPR 11** A member of the public may ask more than one question but their second question (written or oral) shall be taken after all other individuals who wish to ask a question have been given the opportunity to do so.

Public speaking at the Planning Committee

- CPR 12** In relation to planning applications, there shall be three categories of speaker per application: objector, supporter and applicant/agent.
- CPR 13** A person who wishes to speak at a Planning Committee must register their wish to do so between 6pm and 7pm on the evening of the meeting at the Town Hall reception desk.
- CPR 14** Normally, in addition to the applicant/agent, only one member of the public may speak for or against a single application. Registration will normally be on a first come first served basis but an individual may choose to waive this right in favour of an individual who attempted to register at a later time. Alternatively, several members of the public may appoint one person to speak on their behalf provided they can reach agreement to this amongst themselves. .
- CPR 15** Speakers shall be called in the order of (1) objector (2) supporter (3) applicant/agent
- CPR 16** A speaker shall have a maximum of three minutes to address the Committee and must confine their remarks to the application upon which they requested to speak. The applicant/agent shall be given an amount of time equal to the amount of time allocated to the all the objectors. The address shall be in the form of a statement, not attempts to question the applicant or other person but may address issues raised by other speakers.

Petitions

- CPR 17** A petition is a written or electronic communication which is signed by or sent to the Council on behalf of at least 20 people. The Council's response to a petition will depend on what the petition asks for and how many people have signed it but may include presenting the petition at a committee meeting.

CPR 18 The presentation of petitions at policy committees shall take place immediately after the submission of questions by members of the public in the order in which notice of them is received by the Head of Legal and Democratic Services.

CPR 19 The petition organiser shall have the opportunity to present the petition to a meeting of the appropriate policy committee provided that they have given notice of their intention to do so to the Head of Legal and Democratic Services by 5.00pm at least five working days before the meeting at which the petition is to be presented.

Note: For example, for a meeting on a Wednesday, the request must therefore arrive by 5.00pm on the Wednesday of the week before the meeting.

CPR 20 The presentation of a petition shall be limited to not more than five minutes, and shall be confined to reading out, or summarising, the subject matter of the petition, indicating the number and residency of the signatories, and making such further supporting remarks relevant to the petition.

CPR 21 Regarding petitions presented to a policy committee (of which proper notice has been given):-

- (i) a written response may be available in advance of the meeting
- (ii) the Chairman of the Committee may, if he considers it convenient and conducive to the despatch of business, allow the subject matter to be dealt with at the meeting at which it is presented; or otherwise
- (ii) the subject matter shall stand referred, without discussion, either to the next ordinary meeting of the Committee or other appropriate body.

Committee, Sub-Committee and Advisory Panel timetables and agendas

CPR 22 The Head of Legal and Democratic Services will prepare a timetable of meetings of the Council, Policy Committees, Sub-Committees and Advisory Panels each year and submit it to the Authority for approval. Meetings shall be organised in accordance with the approved timetable. The Head of Legal and Democratic Services may re-arrange the date for, or cancel, a meeting if they and the Chairman of the body in question are both satisfied that there is good reason for doing so or insufficient business to justify the meeting being held, or for other reasons which in their view are sufficient. When a meeting is cancelled or the date is changed, the Head of Legal and Democratic Services shall notify Members via Members Briefing or email or by any other means they think fit. When possible, notice of the cancellation or change shall also be posted on the Council's website.

CPR 23 The Head of Legal Democratic Services must send out an Agenda at least six working days before every meeting of a policy committee, sub-committee or advisory panel, or as soon as the meeting is called whichever is later. A hard copy of the agenda shall be sent to every person entitled to receive papers of the committee, sub-committee or advisory panel.

CPR 24 The agenda must include:

- (a) all items of business referred to the policy committee, sub-committee or advisory panel by the Council or another policy committee, sub-committee or advisory panel;
- (b) any reports submitted to the committee or sub-committee by the Chief Executive, Directors or Service Managers;
- (c) any item of business which the Chairman requires to be included;

CPR 25 Any Member who wishes to request that a particular item of business be included must give notice in writing to the Head of Legal and Democratic Services by 5.00pm on the eighth working day before the date of the meeting.

Note: For example, for a meeting on a Wednesday, the request must therefore arrive by 5.00pm on the Friday before the week immediately preceding the meeting.

CPR 26 A report shall not be submitted to a Policy Committee, Sub-Committee or Advisory Panel if, in the opinion of the Head of Legal and Democratic Services it does not comply with legal or policy requirements.

CPR 27 Subject to any requirements of the Chairman, the Head of Legal and Democratic Services must arrange the order of business in a manner in which they consider will ensure the effective despatch of business.

CPR 28 If it is impossible, owing to exceptional circumstances, to include a report on a particular item on the Agenda before it is despatched, or if a report is proposed to be put to the meeting as a matter of urgency in special circumstances under Section 100 B of the Local Government Act 1972, the Head of Legal and Democratic Services shall circulate it to every person entitled to receive the papers of the committee or sub-committee as soon as practicable after they have been prepared.

CPR 29 The Scrutiny Committee has the right, in the exceptional circumstances mentioned in paragraph 14 of the Overview and Scrutiny rules, to call-in any decision of a policy committee other than a recommendation to the Council in accordance with the Protocol set out in Part 5 of the Constitution.

Special meetings of Committees, Sub-Committees and Advisory Panels

- CPR 30** The Chairman of a policy committee (or in his absence the Vice Chairman) or the Chairman of a sub-committee or advisory panel may call a special meeting of that policy committee, sub-committee or advisory panel at any time. The Chief Executive, Director of Finance and Resources and Monitoring Officer may also call a special meeting to consider business at any time.
- CPR 31** A special meeting may also be called if a joint written request signed by at least three, or one quarter of the total number, of the voting members of a policy committee, sub-committee or advisory panel, whichever is the greater, has been made to the Chairman of a policy committee (or in his absence, Vice Chairman) or Chairman of a sub-committee or advisory panel (the request should be sent to the Head of Legal and Democratic Services)
- CPR 32** The Chairman may not refuse to hold a special meeting in such circumstances and a special meeting must be called within seven days of the presentation of such a properly constituted request.
- CPR 33** The request to call a special meeting must state the business to be transacted and no other business. The Head of Legal and Democratic Services must fix a date for the meeting which so far as practicable is appropriate for the proper despatch of that business. CPR 23 (circulation of papers) will then apply.

Rights and duties to attend meetings

- CPR 34** With the exception of Licensing Hearings Sub-Committees, any member of the Council may attend the meetings of all policy committees, sub-committees and advisory panels, and permission to speak will not normally be refused by the Chairman.
- CPR 35** A co-opted member of a committee, sub-committee or advisory panel has the right to attend all meetings of that body but may speak only on matters which the Chairman considers reasonably and fairly relate to the purposes for which they were appointed to the body. Co-opted members may not speak on the appointment of a Chairman or Vice-Chairman or be elected to those offices.
- CPR 36** In the case of the Planning Committee, Members of the Committee who have entered the meeting late for a particular item, have no right to vote on that item.

- CPR 37** The Scrutiny Committee may require any Member of a policy committee, the Chief Executive and/or any senior officer to attend before it to explain in relation to matters within its remit (a) any particular decision or series of decisions, (b) the extent to which the actions taken implement Council policy and (c) their performance and it is the duty of those persons to attend if so required.
- CPR 38** Notwithstanding anything said above, a member whose notice of motion has been referred by the Council to any policy committee, sub-committee or advisory panel shall be given notice of the meeting at which it is proposed to consider the motion.

Quorum

- CPR 39** The quorum of a policy committee, sub-committee, Audit, Crime & Disorder and Scrutiny Committee or advisory panel shall be at least one quarter of the total number of Members of the relevant body rounded up to the next whole number, but shall never be less than three except where authorised by statute or where ordered by the Council.
- CPR 40** If there is no quorum at the time the meeting is summoned to start, the Chairman will allow a delay of fifteen minutes to see if a quorum assembles. If there is still no quorum at the end of that period, the meeting must be reconvened at another time.
- CPR 41** If during any meeting of a committee, sub-committee or advisory panel the Chairman ascertains that a quorum is not present, the meeting shall stand adjourned for fifteen minutes. If after fifteen minutes there is still no quorum present, the meeting shall end.
- CPR 42** The Chairman may fix a date and time to deal with any business which cannot be dealt with because of CPR 40 or 41 above. If they do not do so, the business shall be dealt with at the next timetabled meeting of the committee, sub-committee or advisory panel.

Absence of Chairman

- CPR 43** If the Chairman is absent from a meeting, the Vice Chairman shall Chair the meeting. In the absence of a Vice Chairman, or if no Vice Chairman has been appointed by the Council, the Committee must elect a person to Chair the meeting.
- CPR 44** A Chairman or Vice Chairman must be drawn from the membership of the committee or sub-committee.
- CPR 45** If the Chairman or Vice Chairman enters the meeting after another member has been appointed to preside, that Member must immediately at the conclusion of the matter under discussion offer the chair to the Chairman or Vice Chairman.

- CPR 46** If the Chairman resigns or is unable to act as such, the Vice Chairman shall become the Chairman until a Chairman (and if necessary a Vice Chairman) is elected for the remainder of the municipal year by the Council. If the Vice Chairman resigns or becomes unable to act as such, the Council must elect a new Vice-Chairman.
- CPR 47** Any power or duty of the Chairman in relation to the conduct of a meeting may be exercised by the person chairing the meeting and any reference to the Chairman shall be taken to include such persons except that an officer shall not be entitled to a vote of any kind.

Guillotine

- CPR 48** At 22.00 hours (or two and a half hours after a meeting has commenced) the Chairman of a policy committee, sub-committee or advisory panel shall review the business to be transacted and shall order the items so as to dispose of all matters requiring a decision by 22.30 hours. In respect of any matters still outstanding at 22.30 hours, the committee shall be asked to decide either that these be agreed as presented without debate/discussion or that they be held over until the next meeting.

Minutes

- CPR 49** The Minutes of every meeting of a policy committee, sub-committee or advisory panel shall be written and presented to the next ordinary meeting of the relevant body.
- CPR 50** The Chairman shall put that the Minutes of the meeting held on the day in question be signed as a true record.
- CPR 51** There shall be no discussion on the Minutes, except by way of a motion relating to their accuracy. If no question of accuracy is raised, or as soon as any question is settled, the Chairman shall initial each page of the minutes in addition to dating and signing the final page of the said document.
- CPR 52** If the committee, sub-committee or advisory panel is not scheduled to meet again, or is not likely to meet in the foreseeable future, the Chairman of the committee or sub-committee (or in his absence any Member of it) may sign the Minutes using the above procedure when the proceedings of that body are reported to (or at a convenient meeting of) the Council or the parent committee, subject to the resolution of all questions as to their accuracy which may then be raised by Members who were present at the meeting.

Scheme of delegation

- CPR 53** A committee, sub-committee or advisory panel shall act in accordance with its terms of reference and delegated powers as agreed by the Council and set out in this Constitution.

Rules of debate

CPR 54 Meetings of policy committees, sub-committees and advisory panels are to be conducted with as little procedural formality as is consistent with the need for good order and the effective conduct of business. However, the following guidelines should be taken into account:

Proposals and Amendments

CPR 55 The officers' recommendations in a report shall constitute proposals which do not require to be moved and seconded and shall be the basis for any further debate.

CPR 56 During a debate, a Member should make it clear if they are suggesting something which they wish to be, or form part of, the decision of the policy committee, sub-committee or advisory panel. It is best practice for any such proposals to be seconded and the Chairman may require them to be submitted in writing so that they may be read to the meeting before being discussed. For the sake of clear and transparent decision making, the Chairman should explicitly ask the Committee to agree to any such proposal and if any Member of the Committee disagrees, a vote by show of hands should be taken prior to any further debate.

CPR 57 Members must not speak about anything except the subject under discussion, a point of order, personal explanation or declaration of interest.

CPR 58 Members have no right to speak as often as they wish on a particular agenda item and the Chairman may rule that a Member may no longer be heard. The Chairman's ruling on this shall be final and not open to comment.

CPR 59 Any proposals from the floor should not have the same effect as voting against the officers' recommendation (s) or be outside the scope of the original proposal, outside the scope of the meeting or outside the Council's powers.

CPR 60 It is the role of the Chairman to summarise what the Committee has decided, and if necessary, to take a final vote by show of hands, before moving onto the next item of business.

Motions referred from Council under FCR 79

CPR 61 The proposer of a motion referred to the Committee by the Council shall have the right to open the debate on the matter in question but may not vote on the matter unless they are a member of that policy committee, sub-committee or advisory panel. When there is no-one else wishing to speak, or the Chairman determines that there has been sufficient discussion, the Chairman shall call on the proposer of the motion referred from Council to reply to the debate (max 3 minutes), before the matter is put to the vote.

CPR 62 A member exercising a right of reply shall confine themselves to answering previous speakers and shall not introduce new matters or material; the Chairman's ruling on this shall be final and not open to comment.

CPR 63 In accordance with FCR 79, the policy Committee, sub-committee or advisory panel in question will normally make a final decision on the motion, if they have delegated authority to do so, or make a report and recommendation to Council if they do not have such authority.

Proposals which may be moved during debate

CPR 64 When a matter is under debate no other proposal shall be moved except to:

- (a) amend the proposal under discussion
- (b) move that a Member not be further heard
- (c) move a motion under Section 100A (4) of the 1972 Act to exclude the press and public
- (d) move a closure motion

Closure Motions

CPR 65 At the conclusion of the speech of another member any member may move one of the following closure motions:

- (a) To refer a recommendation of a sub-committee or advisory panel back to that body for reconsideration
- (b) To defer consideration of the matter until the next ordinary meeting of the Committee
- (c) To adjourn the meeting
- (d) to put the question
- (e) To proceed to the next business

CPR 66 When moving a closure motion the member must state which closure motion they are moving and, once the Chairman has ruled that the motion is in order, will be given the opportunity to explain why it is being moved (max 2 minutes).

CPR 67 On a proposal to refer a recommendation back to a sub-committee or advisory panel, the Chairman shall give the chairman of the relevant body, if they are present, the right to reply to the motion (max 3 minutes), after which the proposal shall be put to the vote without debate or comment.

- CPR 68** On a proposal to defer consideration of a matter to a later date or to adjourn the meeting, if the Chairman considers that the matter requires further discussion but cannot reasonably be discussed at the meeting in question, the proposal to defer shall be put to the vote without debate or comment.
- CPR 69** On a proposal to proceed to next business, unless the Chairman thinks that the committee, sub-committee or advisory panel needs to reach a decision at that meeting on the matter then under consideration, the proposal to proceed to next business shall be put to the vote, without comment or debate.
- CPR 70** On a proposal that the question be now put, unless the Chairman thinks that there has been insufficient debate of the matter, the Chairman shall put to the vote the proposal that the question be now put without comment or debate.
- CPR 71** Unless a proposal to exclude the press and public is on the agenda, the Chairman shall ascertain the grounds for the motion and shall ascertain from the appropriate officers present whether the public can lawfully be excluded. If so, they shall allow the proposer of the matter under discussion a right of reply on the proposal to exclude the press and public and shall then put the proposal to the vote. If it is passed the Chairman may at their discretion either immediately require the press and public to leave the room in which the debate is being held or adjourn the debate until some convenient time later in the meeting when the public shall have been excluded.

Chairman's discretion to put the question

- CPR 72** The Chairman may curtail the debate at any time if they consider that the Committee, Sub-Committee or Advisory Panel has sufficiently discussed the matter. They shall thereupon give the movers of the motion and amendment (if any) their rights of reply and put that motion or amendment to the vote.

Points of Order/Personal Explanation

- CPR 73** If a member wishes to raise a point of order or point of personal explanation, the Member should normally stand and shall be heard immediately, and any member then speaking shall give way.
- CPR 74** A point of order relates only to an alleged breach of a rule of procedure or statutory provision. The member raising the point of order shall specify which rule(s) of procedure or statutory provision is involved and how the Member thinks it has been broken. The ruling of the Chairman on any point of order is final.

CPR 75 A point of personal explanation is an opportunity to correct an apparent misunderstanding of comments made by the member earlier in the debate. The member raising the point shall specify what the Member said earlier and how they feel this has been misunderstood. The ruling of the Chairman on any point of order is final.

Respect for the Chairman

CPR 76 The Chairman may interrupt the debate to restore order by using the command “order” or by striking the gavel. The Committee must then be silent until the Chairman calls upon a Member to speak.

CPR 77 All Members must address the Chairman when speaking.

Composition of Committee, Sub-Committees and Advisory Panels (including substitution of Members)

CPR 78 A committee may not appoint a sub-committee unless the Council has expressly agreed to the creation of a sub-committee or it is mentioned in the Constitution.

CPR 79 Every member of the Council shall be eligible for appointment to a sub-committee.

CPR 80 A Committee may decide to co-opt additional members onto the Committee, whether members of the Council or not. Co-opted members of a Committee shall not be counted in the quorum for the Committee and shall not be entitled to vote on any matter before the Committee. Co-opted members may be appointed to assist with a specific area of business or generally to assist the Committee in its work.

CPR 81 Subject to section 102 (5) of the 1972 Act (councillor leaving office to cease to be a member of a committee) and CPR 82 (substitutions) every person appointed as a voting member of such a committee or sub-committee and every person appointed to exercise other functions in relation to a sub-committee shall continue until the appointment is terminated by the authority or they resign.

CPR 82 A Member of a Committee, Joint Committee, Sub-Committee or Advisory Panel may for the whole of a specified meeting designate as his/her substitute another Member other than a Member of the Scrutiny Committee. The substitute may attend the meeting on behalf of, but not in addition to, the nominating Member and shall be entitled to speak and vote. The nominating Member, or in their absence, the Leader/Chairman of his/her Group Deputy Leader/Chairman of his/her Group, shall inform the Head of Legal and Democratic Services or his representative in writing or by e-mail, prior to the meeting in question, that his/her substitute will be attending

CPR 83 Provisions for the appointment of substitutes do not apply to meetings of Licensing Hearings Sub-Committees.

Motions affecting staff

CPR 84 If any question arises at a meeting of a Committee, Sub-Committee or Advisory Panel as to the appointment, promotion, dismissal, salary or conditions of service of any person employed by the Council, or their conduct, the matter must not be discussed until it has been decided whether or not to exclude the press and public under Section 100 A (4) of the 1972 Act.

Good order in meetings

Disorderly conduct by Members

CPR 85 If any Member:

- (a) Persistently disregards the ruling of the Chairman; or
- (b) Behaves irregularly improperly or offensively; or
- (c) Deliberately disregards established procedure; or
- (d) Deliberately obstructs the business of the meeting;

then the Chairman may name the Member and require them both to apologise and to correct their behaviour immediately, or to do either.

CPR 86 If a Member named by the Chairman under the paragraph above continues their misconduct, the Chairman may do any or all of the following at their discretion at any time during the meeting:

- (a) they may forbid the Member from speaking for some or all of the rest of the meeting;
- (b) they may order the Member to leave the meeting for all or part of the remaining business.
- (c) they may order the Member to be removed from the meeting.
- (d) they may adjourn the meeting for such period as they think fit

CPR 87 A Member may not impute improper motives, or use any offensive expression, to any other Member. The Chairman shall be the sole judge at the meeting of when this rule has been broken. If a Member ignores or rejects his ruling he shall be dealt with under the two preceding paragraphs.

Disturbance by members of the public

CPR 88 If a Member of the public interrupts the proceedings at any meeting the Chairman shall issue them a warning. If the member of the public continues the interruption the Chairman shall order the member of the public's removal from the meeting room

CPR 89 In the event of a public disturbance, the Chairman may without question adjourn the meeting for such period as s/he considers expedient.

General

CPR 90 The decision of the Chairman as to acceptable conduct whether by members or the public shall be final.

Recordings and Photography

CPR 91 Audible alerts on mobile phones must be turned off. Permission to record or take photographs/video during a meeting should be sought in advance of the meeting and the Chairman may attach such conditions to the permission as they see fit, which may include providing a duplicate copy of any recording or photograph made or taken on Council premises.

Voting

CPR 92 Upon summation of a decision by the Chairman, (CPR 60 refers) a question may be decided by “unanimous consent” were the Chairman asks if a matter is agreed and no member objects. In the event of any member objecting, a formal vote shall be taken.

CPR 93 Except as otherwise provided, voting shall be on a show of hands of those present.

CPR 94 At a meeting of a decision making body any four Members may request that the vote be recorded to show who voted for and against the proposal and who abstained. For a recorded vote, an appropriate officer shall call the name of each Member present and that Member shall speak to indicate whether he votes for or against the motion or abstains, without further comment.

CPR 95 Unless a recorded vote has been taken, immediately after any vote has been taken, following a request to that effect from any member, their vote for or against the motion, or the fact that they did not vote, shall be recorded in the minutes.

CPR 96 The Chairman must ascertain the numbers voting for or against any motion or amendment, or for any candidate. They or an officer present shall inform the meeting of the numbers. Once the Chairman has satisfied themselves as to the totals their declaration of the result cannot be questioned.

Second or casting votes

CPR 97 If the votes are tied on any issue, the Chairman may use a second or casting vote as follows:

- (i) If the Chairman voted at the same time as the other Members (i.e. used their first vote) they may use his second vote;

- (ii) if the Chairman did not vote at the same time as the other Members they may use their casting vote;
- (iii) the Chairman shall not delay their first vote in order to ascertain the voting figures and then use it to produce an equality of votes in order to use their second vote.
- (iv) the Chairman may decline, without explanation, to use either their second or casting vote;

If the votes remain tied at the end of the voting process the effect is that no decision has been taken on the matter in question and the motion being voted upon is lost.

Record of attendance

CPR 98 The Democratic Services Officer will be responsible for recording attendance at meetings.

Implementation of Committee Decisions

CPR 99 Subject to the right of a Member to propose any motion to Council and for the Council to deal with that motion, all matters specified in the Terms of Reference shall usually be referred for consideration to Committees, Sub-Committees or Advisory Panels under whose names such matters appear. Committees shall be authorised to take such action as they think fit in relation to any matters falling within their Terms of Reference, subject to their reporting to Council with their recommendations thereon where matters of principle or policy are involved.

1 The framework for decision-making

- 1.1 The Council will be responsible for the adoption of its Budget and Policy Framework as set out in Article 4. Once a Budget or a Policy Framework is in place, it will be the responsibility of the policy committees to implement it.

2 Process for developing the framework

- 2.1 The process by which the Budget and Policy Framework shall be developed is:
- (a) Each year the Strategy and Resources Committee will recommend to the Council, which will then publish, a programme for establishing the Budget and Policy Framework for the following year. Within this programme, it will identify any strategic policy or resource issues on which it wishes to request studies by the Scrutiny Committee.
 - (b) Within the overall programme, each policy committee may identify any study it wishes to request from the Scrutiny Committee related to policy issues on which it wishes to make recommendations to the Council as part of the Budget and Policy Framework.
 - (c) Policy studies undertaken by the Scrutiny Committee should engage as widely as possible with citizens and stakeholders in the community and use a variety of methods to gauge public views. The results should be presented to the relevant policy committee which will then develop proposals to be submitted to the Council.

- 4.1 The responsibility for agreeing the Budget and Policy Framework lies with the Council, and decisions by policy committees or officers with delegated authority must be in line with it. No changes to any policy and strategy which make up the Policy Framework may be made by a policy committee or officer with delegated authority except changes:
- (a) necessary to meet a budgetary constraint;
 - (b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- and
- (c) in relation to the Policy Framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.
- 4.2 The Council may make in-year changes to its Budget and Policy Framework other than in the circumstances set out in 4.1 above, but will only do so on the recommendation of a policy committee or in response to a report from the Chief Executive or on a motion after proper notice in accordance with the Council Procedure Rules set out in Part 4 of this Constitution, in all cases after a period of consultation with citizens and stakeholders appropriate to the nature of the changes proposed.

8 Agenda items

- 8.1 Any Members of the Council may give written notice to the Scrutiny Officer that they wish an item to be included on the agenda of the Audit, Crime & Disorder and Scrutiny Committee or submit such an item. If the Scrutiny Officer receives such a notification or item, then he/she will include it on the first available agenda of the Committee for consideration by the Committee. However, where the notification or item is deemed to be a councillor call for action, the Councillor call for Action Protocol shall be implemented
- 8.2 The Audit, Crime & Disorder and Scrutiny Committee shall also respond, as soon as its work programme permits, to requests from the Council, and if it considers it appropriate the policy committees, to review particular areas of Council activity. Where it does so, the Audit, Crime & Disorder and Scrutiny Committee shall report its findings and recommendations back to the policy committee and/or the Council. The Council and/or the relevant policy committee shall consider the report of the Audit, Crime & Disorder and Scrutiny Committee at its next available meeting.

9 Policy and development overview

- 9.1 The role of the Audit, Crime & Disorder and Scrutiny Committee in relation to the development of the Council's Budget and Policy Framework is set out in detail in the Budget and Policy Framework Procedure Rules.
- 9.2 In relation to the development of the Council's approach to other matters not forming part of its Budget and Policy Framework, the Scrutiny Committee may make proposals to policy committees for such development in so far as it relates to matters within their terms of reference although it is recognised that in most cases policy committees will develop their own policy.
- 9.3 The Scrutiny Committee may hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

10 Reports from the Scrutiny Committee

- 10.1 Once the Scrutiny Committee has completed its deliberations on any matter it will prepare a formal report and submit it via the Scrutiny Officer for consideration by the relevant policy committee (if the proposals are consistent with the existing Budgetary and Policy Framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed Budget and Policy Framework).
- 10.2 If the Scrutiny Committee cannot agree on one single final report to the Council or the relevant policy committee, as appropriate, then up to one minority report may be prepared and submitted for consideration by the Council or policy committee with the majority report.
- 10.3 The Council or the relevant policy committee shall consider the report of the Scrutiny Committee at its next available meeting
- 10.4 When the Council meets to consider any referral from the Scrutiny Committee on a matter which would impact on the Budget and Policy Framework, it shall also consider the response of the relevant policy committee to the Scrutiny proposals, and shall if necessary defer consideration of those proposals until after the next meeting of the relevant policy committee.

11 Rights of scrutiny committee members to documents

- 11.1 All Members have the right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules in Part 4 of this Constitution, and members of the Scrutiny Committee, and any sub-committees or panels (including any co-opted members), have all such rights in relation to any of the agreed work programme of the Committee.

12 Members and officers giving account

12.1 The Audit, Crime & Disorder and Scrutiny Committee may scrutinise and review decisions made (other than quasi-judicial decisions, e.g. planning and licensing applications) or actions taken in connection with the discharge of any of the Council's functions. As well as reviewing documentation, in fulfilling the scrutiny role, the Committee may require any member of a policy committee, the Chief Executive and/or any Head of Service to attend before it to explain in relation to matters within its remit:-

- (a) any particular decision or series of decisions;
 - (b) the extent to which the actions taken implement Council policy;
- and
- (c) their performance.

and it is the duty of those persons to attend if so required.

[Note: Save in exceptional circumstances, and in agreement with the Chief Executive, no officer below Director or a Division Head shall be required to appear before the Audit, Crime & Disorder and Scrutiny Committee.]

12.2 If any Member or Officer is required to attend the Scrutiny Committee under this provision, the Chairman of the Committee will inform the Scrutiny Officer. The Scrutiny Officer shall inform the Member or Officer in writing giving at least five working days' notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the Committee. Where the account to be given to the Committee will require the production of a report, then the Member or Officer concerned will be given sufficient notice to allow for preparation of that documentation.

12.3 If, in exceptional circumstances, the Member or Officer is unable to attend on the required date, the Scrutiny Committee shall, in consultation with the Member or Officer, arrange an alternative date for attendance to take place within a maximum of ten working days from the date of the original request.

13 Attendance by others

13.1 The Scrutiny Committee may invite people other than those people referred to in paragraph 12 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and Members and officers in other parts of the public sector and shall invite such people to attend, whether in relation to scrutiny of the Council's policies and activities or those of any other agency which affect the social, environmental or economic well-being of the residents of the Borough. Other committees or advisory panels may also, from time to time, scrutinise such other agencies.

14 Call-in

- 14.1 Call-in should only be used in exceptional circumstances. These are where Members of the Scrutiny Committee have evidence which suggests that a policy committee took a decision which was not in accordance with one or more of the principles set out in Article 12 (Decision Making).
- 14.2 In any event, call-in will not apply to quasi-judicial decisions e.g. development control and licensing.
- 14.3 The call-in procedure is as follows:-
- (a) When a decision is made by a policy committee or under joint arrangements, the decision shall be published electronically by Democratic Services to a group email address which includes the Scrutiny Officer and members of the Scrutiny Committee normally within two working days of being made and shall also be available on request in hard copy from the Town Hall. When all members of the Council are invited to speak and vote at a meeting of a committee, then the power of call-in does not apply.
 - (b) That notice will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of five working days after the publication of the decision, unless the Scrutiny Committee objects to it and calls it in. The Notice shall include the following statement: "The following represents a summary of the decisions taken by the Committee. It is not intended to represent the formal record of the meeting (for which reference should be made to the Minutes) but to facilitate the call-in process".
 - (c) During that period, the Scrutiny Officer or Monitoring Officer shall call-in a decision for scrutiny by the Scrutiny Committee if so requested in writing or by e-mail, both of which should include the reasons, by any three Members of the Scrutiny Committee, and shall then notify Members of the decision-making Committee of the call-in. He/she shall call a meeting of the Committee on such date as he/she may determine, where possible after consultation with the Chairman of the Committee, and in any case within ten working days of the decision to call-in.
 - (d) If, having considered the decision, the Scrutiny Committee is still concerned about it, then it may refer it back to the decision making Committee for reconsideration, setting out in writing the nature of its concerns or refer the matter to the Full Council. Following consideration of the decision by the Scrutiny Committee, the Scrutiny Officer or Monitoring Officer shall notify the members of the decision-making Committee of the outcome. Where the Scrutiny Committee refers the decision back to the decision-making committee, the notification will include details of when the written report will be published.

- (e) If following an objection to the decision:
- (i) the Scrutiny Committee does not meet in the period set out above or the expiry of the ten working day period; or
 - (ii) The Scrutiny Committee does meet but does not refer the matter back to the decision making Committee
- the decision shall then take effect.
- (f) If the matter is referred to the Full Council, and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective from the date of the Council Meeting. However, if the Council does object, it may refer any decision to which it objects back to the decision-making committee, together with the Council's views on the decision or may itself determine the matter.

Note: Paragraph 14 should be read in conjunction with the Protocol on the Call-in procedure set out in Part 5 (Codes and Protocols) of the Constitution

15 Exceptions

- 15.1 In order to ensure that call-in is not abused, nor causes unreasonable delay, the Council may place certain limitations on its use. It will only seek to impose such limitations after consideration of a report from the Chief Executive.

16 Call-In and Urgency

- 16.1 The call-in procedure set out above shall not apply where the decision being taken by a policy committee is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interest. The record of the decision, and notice by which it is made public shall state whether in the opinion of the Chief Executive or his/her nominee, the decision is an urgent one, and therefore not subject to call-in. Decisions taken as a matter of urgency must be reported to the next available meeting of the Council, together with the reasons for urgency.
- 16.2 The operation of the provisions relating to call-in and urgency shall be monitored annually by the Chief Executive or his/her nominee, and a report submitted to Council with proposals for review if necessary.

17 Procedure at Scrutiny Committee Meetings

- 17.1 The Scrutiny Committee shall consider the following business:-
- (a) minutes of the last meeting;
 - (b) declarations of interest;

- (c) consideration of any matter referred to the Committee for a decision in relation to the calling in of a decision;
- (d) responses from the Council or a policy committee to reports of the Scrutiny Committee;

and

- (e) the business otherwise set out on the agenda for the meeting.

17.2 Where the Scrutiny Committee asks people to attend to give evidence at Committee or Panel meetings they are to be conducted in accordance with the following principles:-

- (a) that the investigation be conducted fairly and all Members of the Committee be given the opportunity to ask questions of attendees, and to contribute and speak;
- (b) that those assisting the Committee by giving evidence be treated with respect and courtesy; and
- (c) that the investigation be conducted so as to maximise the efficiency of the investigation or analysis.

17.3 Following any investigation or review, the Committee shall prepare a report for submission to the relevant Committee and/or Council as appropriate and shall make its report and findings public.

SECTION E - Financial Regulations

Issued: July 2002; Revised July 2013

1 About Financial Regulations

What are Financial Regulations?

- 1.1 Financial Regulations are a set of rules (standing orders) that govern the financial affairs of the Council. They are approved by the Council and apply to every Member and officer of the Council and anyone acting on its behalf.
- 1.2 The Regulations identify the financial responsibilities of the full Council, Committees and Panels, the Head of Paid Service, the Monitoring Officer, the Director of Finance and Resources, Heads of Service and Budget Managers. Where decisions have been delegated or devolved to other responsible officers, references to the relevant Director in the regulations should be read as referring to those officers.
- 1.3 All Members and officers have a general responsibility for taking reasonable action to provide for the security of the assets under their control and for ensuring that the use of these resources is legal, is properly authorised, provides value for money and achieves best value. Compliance with Financial Regulations will help discharge this responsibility.

Finance Rule Book

- 1.4 The Finance Rule Book sets out in more detail some of the procedures to which staff who manage budgets or carry out financial transactions need to adhere, although we try to avoid detailed prescription wherever possible. All Members and officers **must** comply with Financial Regulations.
- 1.5 Financial Regulations and the Finance Rule Book cover all major financial systems and processes however the Council has other procedures covered by the Procurement Strategy, the Team Strategy and Capital Strategy. Managers must also be aware of the requirements of all these policies and procedures.

How does this relate to Standing Orders for Contracts?

- 1.6 Financial Regulations are complementary to the Council's Standing Orders for Contracts, which are about the systems and procedures for procuring goods and services. The Financial Regulations and the Finance Rule Book deal with the financial and control issues relating to the procurement of goods and services.

What do Financial Regulations cover?

- 1.7 The Financial Regulations set out the financial management policies of the Council. The list on the "Contents" page tells you the subjects included.

- 1.8 Financial Regulations are not detailed procedure notes. The Finance Rule Book provides greater detail, although will not necessarily cover all eventualities. Where appropriate Managers should maintain their own procedure notes to fit in with the needs of their own service.

What if something is not clear?

- 1.9 The Director of Finance and Resources is responsible for issuing advice and guidance to underpin the Financial Regulations that Members, Officers and others acting on behalf of the Council are required to follow.
- 1.10 If you are not clear what a regulation means to your work area, or how to apply it, please ask for guidance. You can ask the Director of Finance and Resources, Head of Financial Services, Head of Corporate Risk and Resource Management, your service accountant (a list is available on Money Matters in IRIS) or the Head of Internal Audit (Internal Audit Contract Manager).

What if I don't agree with the Regulations?

- 1.11 Please let us know. If the rules are stopping you providing a service in a business-like manner we will ask the Council to change them. However, the rules are written to protect the Council, the public purse and you. You must have a good reason for suggesting a change.

What will happen if I don't comply?

- 1.12 If it is minor non-compliance then you may just be asked to amend your work practices accordingly and correct the situation as appropriate. A serious breach will be reported to the Directors or the Scrutiny Committee dependent upon the nature of the breach. The rules in the Council's Disciplinary Procedure may also come into play.

SECTION F – Contract Standing Orders

Last revised July 2007; Latest revision July 2016

1. Scope and Applicability

Introduction

- 1.1 These Contract Standing Orders (CSOs) apply to all contracts entered into by the Council.
- 1.2 CSOs apply to the procurement of all works, services (including consultants), supplies and the disposal of assets.
- 1.3 The Council is required to adopt CSOs under section 135 of the Local Government Act 1972.
- 1.4 If UK or EU legislation changes in a way which affects these CSOs then that change must be observed until the CSOs can be revised. If there is a conflict between UK or EU legislation and these CSOs then the legislation will take precedence.
- 1.5 These CSOs set out the principles of how the Council will administer contract procurement and management. Officers must comply with the procedures set out in the Council's Procurement Toolkit which can be found on E-Hub.
- 1.6 Any reference in these CSOs to "the Council" shall refer to a committee or person acting in accordance with delegated authority on behalf of the Council.
- 1.7 Any reference to Procurement Practitioner shall refer to any other person referred to in the Procurement Toolkit.

Value of Contracts

- 1.8 In these CSOs references to the value of contracts are exclusive of VAT.
- 1.9 For the purposes of these CSOs, the value of a contract is the total value of the works, supplies or services for the duration of the contract including any contract extensions, variations (including day works or additional activities) and any provision for the indexation of sums to be paid under the contract.
- 1.10 These CSOs apply to all contracts except contracts referred to in CSO 7.
- 1.11 Expenditure must not be sub-divided to avoid the provisions of these CSOs.

2. Statutory Requirements

- 2.1 Every contract entered into by the Council shall comply with the EU Treaty and any relevant directives of the EU for the time being in force in the United Kingdom together with any UK law and any relevant Council policy.
- 2.2 Where the estimated value of a contract exceeds the relevant EU Procurement Directive threshold then the EU tendering requirements set out in the Public Contracts Regulations 2015 (PCR 2015) must be complied with in conjunction with and in addition to these CSOs. For the purpose of these CSOs, the EU threshold means the threshold set out within the Public Contract Directive as amended from time to time for public supply contracts, public works contracts and public service contracts awarded by local authorities. See Annex A for further details.

3. Contract Terms

- 3.1 All contracts entered into by the Council shall be in writing utilising the e-procurement system with the exception of the disposal of Council assets, land and property referred to in CSO 9.
- 3.2 Before commencing any tender process or other procurement exercise officers must consider the need to consult with a Procurement Practitioner, their Head of Service and/or the Head of Legal & Democratic Services as necessary who will advise on the conditions of the contract required and the appropriate methods and procedures to be used. The Head of Legal & Democratic Services shall be consulted on any bespoke conditions of contract which might be required. Officers must have regard to all necessary legal, financial, procurement, insurance and other professional advice.
- 3.3 All contracts shall be made on the conditions of contract approved by the Head of Legal & Democratic Services.
- 3.4 All contracts shall:
 - (i) contain a specification of requirements and the outcomes to be achieved;
 - (ii) state the price to be paid with a statement of discounts or other deductions;
 - (iii) state the time or times within which the contract is to be performed;
 - (iv) require contractors to comply with all relevant policies of the Council;
 - (v) require a contractor to comply with the provisions of the Human Rights Act 1998 as if it were a public body within the meaning of that act;

- (vi) require the contractor to indemnify and keep indemnified the Council against all actions, claims, demands, proceedings, damages, losses, costs, charges and expenses whatsoever in respect of any breach of CSO 3.4(v);
 - (vii) require the Council to pay all undisputed invoices within 30 days (subject to any contractual or statutory obligation to pay earlier);
 - (viii) require the Council to consider and verify all invoices submitted by a contractor in a timely fashion; and
 - (ix) require any sub-contract awarded by the contractor to include the provisions of CSOs 3.4(vii) and (viii) and that such terms are passed down the supply chain.
- 3.5 Every contract which exceeds £25,000 in value or amount and is for the provision of works, supplies or services other than at one time shall provide for adequate redress in the event of default by the contractor as agreed by the Head of Legal & Democratic Services.
- 3.6 Every contract over £75,000 shall:
- (i) provide for liquidated damages to be paid by the contractor where the terms of the contract are not duly performed if financial loss is likely to arise from delay in performing the contract; and
 - (ii) provide that where the cost of purchasing other goods, materials or services exceed the amount which would have been payable to the contractor, this amount shall be recoverable from the contractor.
- 3.7 Every contract shall include a clause allowing the Council to immediately terminate the contract and to recover from the contractor the amount of any loss resulting from the termination of the contract if the contractor shall have offered or given or agreed to give any person any gift or consideration of any kind as an inducement or reward for doing or procuring to be done or for having done or having procured to be done any action in relation to the obtaining of the contract or any other contract with the Council or for showing, procuring to show favour or disfavour to any person in relation to the contract or any other contract with the Council or if like acts shall have been done by any person employed by the contractor or acting on his behalf (whether with or without the knowledge of the contractor) or, if in relation to any contract with the Council the contractor or any person employed by him or acting on his behalf shall have committed an offence under the Bribery Act 2010 or shall have given any fee or reward the receipt of which is an offence under section 117 of the Local Government Act 1972.
- 3.8 Every contract valued at £750,000 or more shall be sealed with the common seal of the Council.

- 3.9 For all contracts under £750,000 the awarding officer may sign the contract on behalf of the Council. See CSO 5.14 for further details.

4. Quality Assurance

- 4.1 Requirements for quality and quality assurance shall be included in every contract entered into by the Council.
- 4.2 Where an appropriate British Standard or European Standard specification and/or code of practice issued by the British Standards Institute or equivalent European institution is current at the date of tender every contract, where such a standard is proportionate to the requirements of the specification, shall require that all goods and materials used or to be supplied and all workmanship shall be to a standard not less than the British Standard or European Standard.

5. Procurement Process

- 5.1 All contracts shall be awarded following the procedures set out in these CSOs or by such other public body's CSOs as provided for in CSO 7.1(ii).
- 5.2 All supplies, services and works will be procured in accordance with the requirements and value thresholds set out in CSO 5.14 unless the procurement falls within an exempt category or a waiver is obtained.
- 5.3 Where an external person or organisation is required to supervise a contract or procurement on the Council's behalf, the relevant Head of Service shall ensure that the external person or organisation complies with the requirements of these CSOs as though that external person or organisation were a Council officer.
- 5.4 Every tender issued shall include such documents as the Procurement Practitioners and Head of Finance may require. Where procurements are above the EU threshold all procurement documents, including the contract, must be available at the time the contract opportunity is advertised via the Council's e-procurement system. Procurements above £25,000 must be advertised on Contracts Finder within 24 hours of the initial advertisement having been placed via the Council's e-procurement system.
- 5.5 Every tenderer shall be required to accept the specification of requirements and terms and conditions of contract including a certificate of non-collusion (except where Quick Quotes (QQ) is used) and confirm as a minimum that they have answered in good faith the questions in the tender documentation correctly, accurately, in good faith and there is no conflict of interest.
- 5.6 Officers must take such steps as may be required to confirm the identity and bona fides of any prospective contractor and in relation to the transaction generally. This may require compliance with the client identification procedures required by the Money Laundering Regulations 2007 or the Land

Registry (where applicable). Any suspicions in relation to money laundering must be reported immediately to the Council's Money Laundering Reporting Officer.

- 5.7 All invitations to tender, with the exception of Quick Quotes, must include the criteria and sub-criteria upon which tenders will be evaluated together with the respective weighting to be applied to each.

Framework Agreements

- 5.8 Officers must consider and, where required, use EU compliant contracts and framework agreements already tendered by the Council or those contracts and frameworks procured by other public sector bodies or consortia which are available to the Council.
- 5.9 Where the Council has a tendered contract or framework agreement for a category of supplies, services and/or works, officers must use such contracts or framework agreements for the procurement of relevant supplies, services or works unless they obtain the agreement in writing of the Head of Finance.
- 5.10 Where supplies, services or works cannot be obtained through an existing contract or framework agreement, officers must comply with the competition requirements in CSOs 5.14.
- 5.11 Further requirements relating to framework agreements can be found at CSO 5.25 – 5.33.

Competition Requirements

- 5.12 The tables in CSO 5.14 are compiled to take account of the PCR 2015 and the EU thresholds.
- 5.13 All tendering procedures are to be carried out in accordance with the requirements and timescales set out in the Procurement Toolkit which can be found on E-Hub.

Tender Procedures

- 5.15 All procurement processes must comply with the requirements and thresholds set out in CSO 5.14 and the procedures set out in the Procurement Toolkit which can be found on E-Hub.
- 5.16 The open procedure will normally be used for EU threshold procurements.
- 5.17 The restricted, competitive procedure with negotiation, competitive dialogue procedure and the innovative partnership procedure may only be used, or a dynamic purchasing system established, after officers have agreed the appropriateness of the procedure with the Head of Legal & Democratic Services.
- 5.18 Every procurement process shall be conducted in an equitable, fair, non-discriminatory and transparent manner for each contract.

Permission to Tender

- 5.19 Heads of Service have the authority to commence a tendering process provided there is a business case for the procurement and financial provision has been obtained.
- 5.20 Where the value of the contract is in excess of £750,000, the procurement must be approved by the relevant committee prior to the commencement of the procurement process.

Tendering – Selection of Tenderers

- 5.21 Where the number of organisations expressing an interest in an advertisement is fewer than the number set out in CSO 5.14 then all such organisations applying will be asked to tender subject to meeting the requirements of CSO 5.23.
- 5.22 The Head of Service with permission to tender a contract will be responsible for ensuring audit trail records are completed on the e-procurement system showing how tenderers are selected for each contract and the reasons why they were chosen.
- 5.23 Where contracts are subject to the PCR 2015 and are above the relevant EU threshold, the suitability to pursue a professional activity, the economic and financial standing and technical and professional ability of any contractor or supplier shall be assessed if relevant and proportionate to the contract being procured. Such assessment will take place prior to the contractor or supplier being invited to tender. It is not permissible to use a pre-qualification stage for contracts below the EU threshold although suitability assessment questions may be used provided those questions are relevant to the subject matter and are proportionate as advised by the Head of Legal & Democratic Services.
- 5.24 Where contracts are subject to the PCR 2015 and are above the EU threshold, in relation to economic and financial standing, the minimum annual turnover that a contractor or supplier is required to have shall not exceed twice the estimated annual contract value except in duly justified cases. Where the minimum annual turnover required exceeds twice the estimated contract value the justification must be included in the report required by PCR 2015 regulation 84(1).

Tenderers sought from Framework Agreements

- 5.25 This CSO applies where tenders are sought from either a framework agreement set up in compliance with the PCR 2015, as established by the Council, another public body, a local authority consortium, a national agency which is recognised as carrying out procurement for the benefit of public bodies or another local authority as part of a joint purchasing arrangement of which the Council is permitted to use in accordance with the PCR 2015.
- 5.26 Call offs either by mini competition and/or direct award from a framework agreement must be undertaken in accordance with the rules of the relevant framework agreement. Mini competition and/or direct awards, where required by the relevant framework agreement, must be conducted through the Council's e-procurement system.
- 5.27 Tenders will not be required where a framework agreement is with a single supplier or allows the call off of supply without competition. In such cases officers will need to demonstrate that they have obtained value for money.

Council Framework Agreements

- 5.28 Where there is a frequent occasion to go out for tender for a category of work, supply or service, a framework agreement of organisations may be compiled for the Council.
- 5.29 For a multi-supplier framework, each framework agreement must include a minimum of two suitable organisations. Where the Council has decided to enter into a single supplier framework, a single supplier must be appointed to the single supplier framework.
- 5.30 Each framework agreement shall clearly state the rules for call off by mini competition and/or direct awards of contract under the framework as applicable.
- 5.31 Each framework agreement will be compiled in accordance with the competition requirements set out in CSO 5.14.
- 5.32 The suitability of applicants will be evaluated in accordance with the criteria and sub-criteria stated in the contract documentation and upon the information provided in the applicant's submission to be included on the framework agreement.
- 5.33 Framework agreements may exist for a maximum of four years unless the subject matter of the framework agreement justifies a longer contract period as agreed by the Head of Legal & Democratic Service.

Submission of Tenders – Electronic Submission

- 5.34 All tenders for the procurement of supplies, services and works will be submitted securely through the Council's e-procurement system. For the avoidance of doubt, the term "tenders" includes Quick Quotes (QQ) and Request for Quotation (RFQ).
- 5.35 For low value procurements (under £5,000), officers may obtain tenders without using the QQ system where it is expedient to do so. Prior authorisation must be obtained from the Head of Finance to obtain low value tenders without using the QQ system.

Submission of Tenders – Paper Submission

- 5.36 Paper tenders shall only be used in below EU level procurements where the e-procurement system is unavailable. The Head of Finance will set out the requirements for submitting a paper tender where this is required.

Tender Opening – Electronic and Paper Tenders

- 5.37 Tenders, QQs and RFQs will be opened through the e-procurement system within an hour of the time specified in the invitation to tender documentation.

- 5.38 No tender, QQ or RFQ received after the time and date specified in the invitation to tender documentation will be considered.
- 5.39 For tenders with a threshold of over £750,000 opening will be carried out by a representative nominated by the Head of Finance.
- 5.40 No person shall disclose the value, number or any other detail of the tenders received to any tenderer or anyone not involved in the tender evaluation procedure.

Tender Evaluation

- 5.41 For low value procurement (under £5,000) the awarding officer shall evaluate the tenders received.
- 5.42 For procurement valued between £5,000 and £25,000 tenders shall be evaluated by at least two officers one of whom must not have been directly involved in the procurement previously.
- 5.43 For procurement valued between £25,000 and £75,000 tenders shall be evaluated by at least two officers, one of whom must be a representative from the Finance department.
- 5.44 For procurement valued above £75,000, tenders shall be evaluated by at least three officers including a representative from the Finance department and a representative from the Legal department.
- 5.45 In all cases tender evaluation shall be carried out in an equitable, fair, non-discriminatory and transparent manner in accordance with the award criteria set out in the tender documentation and the procedures contained in the Procurement Toolkit.
- 5.46 Where a tender contains errors or discrepancies affecting the tender sum or rates the relevant Head of Service may, during the tender evaluation providing no information is given to the tenderer regarding the effect of such action, give the tenderer the option to:
- (i) correct the prices or rate concerned;
 - (ii) continue without correcting the prices or rates; or
 - (iii) withdraw the tender.
- 5.47 If a tender is received with an abnormally low price in proportion to the contract requirement the Council officer leading the procurement shall require the tenderer to explain the costs proposed in the tender.
- 5.48 If, after consulting the tenderer, the officer is not satisfied that the evidence or explanation provided can satisfactorily account for the low level of price or

costs proposed, the officer must discuss what action should be taken with the Head of Finance.

- 5.49 Where QQ is used, the tenderer providing the cheapest quote will be awarded the contract and no qualitative assessment will be undertaken.
- 5.50 RFQ and EU procurement will be assessed using the most economically advantageous tender (MEAT) approach. MEAT uses both quality and price to evaluate tenders.
- 5.51 Where MEAT is to be used and prior to the tender being issued, the officer leading the procurement will, in conjunction with the Procurement Practitioner or Head of Finance, agree the criteria and weighting against which tenders will be assessed.

Criteria may include:

- (i) price;
- (ii) technical merit;
- (iii) aesthetic and functional characteristics;
- (iv) environmental characteristics;
- (v) running costs;
- (vi) cost effectiveness;
- (vii) after sales service;
- (viii) technical assistance;
- (ix) delivery date, delivery period and period of completion;
- (x) agility and ability to respond to contingencies;
- (xi) customer care;
- (xii) performance standards, quality monitoring and complaints;
- (xiii) accessibility; and
- (xiv) organisation, qualification and experience of staff.

5.52 This list is not exhaustive. Further details concerning MEAT can be found in the Procurement Toolkit.

Post Tender Negotiations

- 5.53 Officers shall not enter into post tender negotiations with a tenderer in an open or restricted procurement procedure. This principle also applies to QQ and RFQs.

Acceptance of Tenders

- 5.54 The authority to award contracts is set out in CSO 5.14 and is subject to:
- (i) the award being made to the cheapest tenderer where QQ is used or the most economically advantageous tender in all other cases; and
 - (ii) all tender award notifications being conducted through the Council's e-procurement system.

Contract Notification and Standstill Period

- 5.55 All successful and unsuccessful tenderers for a contract must be notified simultaneously and as soon as possible as to the outcome of the tender process via the e-procurement system.
- 5.56 For all contracts with a value exceeding the EU threshold the council will apply a standstill period for a minimum of 10 days to comply with the PCR 2015. The day of notification is considered day 0. This requirement applies to call offs from framework agreements which exceed the EU threshold.
- 5.57 For QQs and RFQs telephone debriefs, if requested by tenderers, are permissible.

ANNEXE A: EU Threshold Levels

The financial thresholds are amended on a regular basis, generally every 2 years.

The current thresholds set out below are valid from 1st January 2016 to 31st December 2017.

		Supplies	Services	Works
A	Local authorities	£164,176 €209,000	£164,176 €209,000	£4,104,394 €5,225,000
B	Social and other specific services (sch 3 PCR 2015)	N/A	£589,148 €750,000	N/A

Note: The threshold for social and other specific services in row B of the table above is a higher threshold as the European Commission decided that these services are not likely to attract cross-border interest and this gives local authorities flexibility in procuring these services. Whilst in the past services were divided into Part A and Part B services this distinction no longer exists and instead there are services which are subject to the full extent of the regulations and other services which are subject to the light touch regime.

The new threshold in row B for social and other specific services applies to procurements of the following services:

Health, social and related services;
 Administrative social, educational, healthcare and cultural services;
 Compulsory social security services;
 Benefit services;
 Other community, social and personal services including services furnished by trade unions, political organisations, youth associations and other membership services;
 Religious services;
 Hotel and restaurant services;
 Some legal services;
 Other administrative services and government services;
 Provision of services to the community;
 Some prison related services, public security and rescue services;
 Investigation and security services;
 International services; and
 Postal services

Where the officer is seeking to procure any of the above services you should contact a Procurement Practitioner in order to check if the service falls within one of these areas and is therefore subject to the higher threshold set out in row B.
